Subject: AM2016/23 - 4 Yearly Review - Construction Awards

Dear Associate,

AM 2016/23 – 4 YEARLY AWARD REVIEW – CONSTRUCTION AWARDS

We refer to the conference of last Thursday and the subsequent [correspondence from the CFMMEU on Friday as attached](#).

Despite any inference the above correspondence contained, we were unable to provide a view as to the proposed varied directions due to commitments in Perth last week and the CFMMEU's failure to include Mr McGregor (who was present at the conference) in the email to the parties.

Master Builders now advises that, although our understanding of the directions agreed during the conference differs from those outlined in the CFMMEU correspondence, we do not oppose the revised course now proposed.

Yours sincerely,

Rebecca Sostarko
