Subject: AM2016/24 - Notice of Listing & Coverage Issues

Dear Parties,

We note that the above matter was listed for mention before the Vice President on 14 March 2017.

However, inadvertently, the Applicants to this matter were not contacted.

The parties at the teleconference indicated they were awaiting confirmation from the Applicants regarding whether they were pressing coverage issues.

If the Applicants are pressing such coverage issues, then those Applicants should be in a position to discuss programming the matter regarding those issues on 20 April 2017 when this matter is brought back for further mention. In this regard, **please see the attached Notice of Listing.**

Please advise the Commission by **close of business on 31 March 2017** whether you are pressing those issues.

Otherwise, it would appear that all other substantive matters are close to final resolution.

We note that some of the Applicants have not subscribed to the website which prevented them from attending the mentions on 14 March 2017.
