OFFICIAL

Dear Ms McIlroy

I refer to the below correspondence.

At the Hearing in the above matter last Tuesday 27 October 2020, the Full Bench gave oral Directions to the effect of:

1. The parties are to provide the Commission with the variation to the HPSS Award (possibly in the form of a draft Order) that they would seek, should their case be successful; and
2. The parties are at liberty to file supplementary submissions by close of business today, Tuesday 4 November 2020.

Given that Optometry Australia was not aware of these Directions, the Full Bench advises that it will have until close of business on Monday 9 November 2020 to file any materials in relation to the Directions outlined above.

Kind regards,

Sinead Bryson

Dear Ms Lia

I have called earlier and left a message regarding the Directions that appear to have been issued as an outcome of the hearing held 27 October 2020.

Our Emma Dalley, provided submissions on behalf of our client Optometry Australia. We asked that our submissions be considered on the papers and we were assured that was accepted.

As a party to the below email group, we note that other parties to the proceedings last Tuesday have provided further submissions in response to the Directions issued as an outcome of the hearing. Unfortunately, we have not been provided with copies of the Directions from the hearing.

Could I please request that the Directions are forwarded to myself (on behalf of Ms Dalley who is currently on leave) so that we may determine how best to proceed on behalf of our client.

Many thanks in advance.
