Subject: Re: AM2016/32 - 4 yearly review of modern awards - Transport Industry Awards

To the Associate to Deputy President Hamberger

Dear Alicia

I refer to your most recent email of 25 January 2017 in relation to the issue of the filing of witness statements from the Transport Workers Union of Australia (TWU).

As the TWU did not proceed with the filing of any determinations or evidence relating to the Passenger Vehicle Transportation Award 2010 within the time allowed within the Directions we assume that they are not proceeding with their previous application with respect to that Award and that the dates allocated for the Passenger Vehicle Transportation Award 2010 will be vacated.

We do not express an opinion therefore with respect to the issues raised by you.

Regards

Ian MacDonald
