Subject: AM2016/8 - 4 yearly review of modern awards – common issue – payment of wages – payments on termination model term - draft variation determination – Building and Construction General On-site Award 2020.

Importance: High

Dear Associate,

RE: AM2016/8 - 4 yearly review of modern awards – common issue – payment of wages – payments on termination model term - draft variation determination – Building and Construction General On-site Award 2020

- Clause 31.4 of the Building and Construction General On-site Award 2020 -

I refer to the above and to the [Report](#) issued by President Ross of 17 July 2020.

At paragraph [8] of the Report the parties were directed to comment on the draft proposal by CFMMEU and Ai Group as set out at Attachment B of the Report.

The CEPU supports the insertion of the draft proposal of CFMMEU and AI Group set out at Attachment B of the Report.

Kind Regards,

Ms. Yolla Abousleiman

National Junior Industrial Officer
