The Hon. Justice Ross, President  
Fair Work Commission  
11 Exhibition Street  
Melbourne VIC 3000

Dear President Ross,

**Re: AM2016/8 Timing of payment of wages on termination, Storage Services and Wholesale Award 2010**

In its statement dated 15th August 2016, the Full Bench hearing the 4 yearly review of modern awards – Payment of wages has directed parties opposing the variation of the payment of wages terms in the modern awards to file submissions by 13 October 2016.

The Australian Industry Group and Australian Business Lawyers have filed draft determinations seeking to vary the provisions regarding the timing of termination payments in various awards.

In respect of this matter the SDA has an interest in the Storage Services and Wholesale Award 2010 only. The SDA does not oppose the Draft Determination for the Storage Services and Wholesale Award at Attachment A contained in the submissions of the Australian Industry Group dated 20 September 2016.

The SDA will not be making further submissions on this matter.

Yours Sincerely,

Gerard Dwyer  
National Secretary
