Subject: RE: AM2018/26 - SCHADS Award - updated draft survey [ABLAW-ImanageDocs.FID135800]

Dear Ingrid

Further to the comments I sent through yesterday, it has just come to our attention that one of our clients' names that is listed in Question 14 is not spelt correctly.

The client is Leading Age Services Australia. We respectfully request that this is amended to remove the extra 'd' prior to the survey being circulated to the parties.

Yours Sincerely

Madeleine Tiedeman
