Subject: RE: LIVE PERFORMANCE AWARD REVIEW [AM2019/3] and [AM2018/23]

Dear Deputy President

I refer to your correspondence/Directions dated 15 July requesting the parties to provide a response to the Full Bench's preliminary view that the parties draft award "be accepted and approved, with the Award Modernisation process being completed".

Unfortunately, the correspondence did not reach either LPA nor MEAA, and therefore neither party has provided a response to the Full Bench's request within the time provided.

If it is not too late to respond to the request, LPA is of the view that the draft Award should be accepted and approved by the Full Bench. I am sure MEAA will be of the same opinion, and MEAA's response will be with you shortly.

Regards

David Hamilton
