Dear Deputy President,

David Hamilton of Live Performance Australia has copied MEAA into this correspondence to Your Honour.

It is also the case that MEAA was not aware of the Directions dated 15 July requesting the parties provide a response to the Full Bench's preliminary view that the parties' draft award be accepted.

We apologise for not complying with those Directions.

I write now to advise you on behalf of MEAA that we support that proposal.

We look forward to the issuing of a new Live Performance Award as soon as possible.

Your sincerely,

Zoe Angus
