Subject: AM2014/96 and 97 AMWU request

Dear Katrine,

The Draft Program dated 9 March, 2016 included at page 7 a Draft Program for Written Submissions re Common Claims. The draft program required final comprehensive written submissions by the proponents of the common claims to be filed on Friday 10 June 2016. The AMWU advises that we aspire to lodge material in response to the Commission's Issues Paper on Friday the 10th.

The AMWU is also preparing additional submissions specifically in reply to the written submissions of the Australian Industry Group (due on 22 February 2016, dated the 26th of February and which appeared on the casual common claim website on 29 February, 2016.)

We seek an extension to the draft program for filing our submission in reply until 17 June, 2016.

Given the length of time between 17 June and 5 August this short delay should not place any party at a disadvantage

I would appreciate you relaying this request to his Honour.

Regards

Sally Taylor
