Dear Associate –

We write to request an extension of one week, in relation to the outline of submissions due today by our client the RCSA in respect of their application. Unfortunately we have experienced a confluence of leave (including personal leave and parental leave) impacting on both legal representatives from FCB and our instructing officers at the RCSA.

We do apologise for any inconvenience. We have conferred with Mr Fleming of the ACTU who does not oppose an extension of 1 week and I also confirm we do not oppose the ACTU also being granted a 1 week extension in respect of their outline of submissions.

Yours faithfully

Benjamin Gee
