- (a) until such incapacity ceases; or
- (b) until the expiration of a period of 26 weeks from the date of injury;

whichever event will first occur.

## 20.3 Definitions

### (a) Meaning of accident pay

**Accident pay** means payment made to an employee by the employer, that is the difference between the weekly amount of compensation paid to an employee under the applicable workers' compensation legislation and the weekly amount that would have been received by virtue of this award had the employee been on paid personal leave at the date of the injury (not including over award payments) provided the latter amount is greater than the former amount.

### (b) Meaning of injury

**Injury** will be given the same meaning and application as applying under the applicable workers' compensation legislation covering the employer.

### (c) Entitlement

- (i) The employer must pay accident pay where an employee suffers an injury and weekly payments of compensation are paid to the employee under the applicable workers' compensation legislation for a maximum period of 26 weeks.
- (ii) The entitlement to accident pay ceases on termination of the employee's employment, except where such termination:
  - is by the employer other than for reason of the employee's serious and/or wilful misconduct; or
  - arises from a declaration of bankruptcy or liquidation of the employer, in which case the employee's entitlement will be referred to the Fair Work Commission to determine.

## 20.4 Pro rata payments

For a period of less than one week, accident pay will be calculated on a pro rata basis.

## 20.5 When not entitled to payment

An employee will not be entitled to any payment under this clause in respect of any period of paid annual leave or long service leave, or for any paid public holiday.

## 20.6 Redemptions

In the event that an employee receives a lump sum payment in lieu of weekly payments under the applicable workers' compensation legislation, the liability of the employer to pay accident pay will cease from the date the employee receives that payment.

## 20.7 Damages independent of the Acts

Where the employee recovers damages from the employer or from a third party in respect of the said injury independently of the applicable workers' compensation legislation, such employee will be liable to repay to the employer the amount of accident pay which the employer has paid under this clause and the employee will not be entitled to any further accident pay thereafter.

## 20.8 Calculation of the period

The 26 week period commences from the date of injury. In the event of more than one absence from one injury, such absences are to be cumulative in the assessment of the 26 week period.

## 20.9 Return to work

If an employee entitled to accident pay under this clause returns to work on reduced hours or to perform modified duties, the amount of accident pay due will be reduced by any amounts paid for the performance of such work.

## 20.10 Casual employees

For a casual employee the weekly payment referred to in clause 20.3(a) will be calculated using the employee's average weekly ordinary hours with the employer over the previous 12 months or, if the employee has been employed for less than 12 months by the employer, the employee's average weekly ordinary hours over the period of employment with the employer. The weekly payment will include casual loading but will not include overaward payments.

## 21. Indemnity/insurance

Parties are asked whether there should be an adjustment of the rates in this clause.

21.1 Clause 21 applies only to employees in the maintenance and engineering stream.

21.2 An employer who requires an employee to fly in any aircraft will indemnify/insure the employee against death or totally incapacitating injury which may arise from the use of that aircraft for not less than **\$45,000**.

21.3 Such indemnity/insurance need not be provided by the employer where the employees will receive a benefit of not less than **\$45,000** in the event of death or totally incapacitating injury by way of insurance taken out by the aircraft or charter operators or by way of an employer-sponsored superannuation scheme.

21.4 No employee will be compelled to work on an aircraft during a bomb scare or hijack incident; provided however, an employee who volunteers to work during a bomb scare or hijack incident will be indemnified/insured by the employer to cover injury, disablement or death to a minimum of **\$172,856**.

- 21.5** The amount payable under this clause will be additional to any amount an employee or the employee's next of kin may be entitled to receive under any workers compensation legislation or similar provisions.

## **22. Superannuation**

### **22.1 Superannuation legislation**

- (a) Superannuation legislation, including the *Superannuation Guarantee (Administration) Act 1992* (Cth), the *Superannuation Guarantee Charge Act 1992* (Cth), the *Superannuation Industry (Supervision) Act 1993* (Cth) and the *Superannuation (Resolution of Complaints) Act 1993* (Cth), deals with the superannuation rights and obligations of employers and employees. Under superannuation legislation individual employees generally have the opportunity to choose their own superannuation fund. If an employee does not choose a superannuation fund, any superannuation fund nominated in the award covering the employee applies.
- (b) The rights and obligations in these clauses supplement those in superannuation legislation.

### **22.2 Employer contributions**

An employer must make such superannuation contributions to a superannuation fund for the benefit of an employee as will avoid the employer being required to pay the superannuation guarantee charge under superannuation legislation with respect to that employee.

### **22.3 Voluntary employee contributions**

- (a) Subject to the governing rules of the relevant superannuation fund, an employee may, in writing, authorise their employer to pay on behalf of the employee a specified amount from the post-taxation wages of the employee into the same superannuation fund as the employer makes the superannuation contributions provided for in clause 22.2.
- (b) An employee may adjust the amount the employee has authorised their employer to pay from the wages of the employee from the first of the month following the giving of three months' written notice to their employer.
- (c) The employer must pay the amount authorised under clauses 22.3(a) or (b) no later than 28 days after the end of the month in which the deduction authorised under clauses 22.3(a) or (b) was made.

### **22.4 Superannuation fund**

Unless, to comply with superannuation legislation, the employer is required to make the superannuation contributions provided for in clause 22.2 to another superannuation fund that is chosen by the employee, the employer must make the superannuation contributions provided for in clause 22.2 and pay the amount authorised under clauses 22.3(a) or (b) to one of the following superannuation funds or its successor:

- (a) AustralianSuper;
- (b) Labour Union Cooperative Retirement Fund (LUCRF);
- (c) TasPlan;
- (d) Sunsuper;
- (e) any superannuation fund to which the employer was making superannuation contributions for the benefit of its employees before 12 September 2008, provided the superannuation fund is an eligible choice fund and is a fund that offers a MySuper product or is an exempt public sector superannuation scheme; or
- (f) a superannuation fund or scheme which the employee is a defined benefit member of.

## 22.5 Absence from work

Subject to the governing rules of the relevant superannuation fund, the employer must also make the superannuation contributions provided for in clause 22.2 and pay the amount authorised under clauses 22.3(a) or (b):

- (a) **Paid leave**—while the employee is on any paid leave;
- (b) **Work-related injury or illness**—for the period of absence from work (subject to a maximum of 52 weeks) of the employee due to work-related injury or work-related illness provided that:
  - (i) the employee is receiving workers compensation payments or is receiving regular payments directly from the employer in accordance with the statutory requirements; and
  - (ii) the employee remains employed by the employer.

For a continuous shiftworker the rate for working overtime is **200%** of the ordinary hourly rate.
- (b) For the purposes of this clause, **ordinary hours** means the hours worked in an enterprise, fixed in accordance with clause 14.2(c).

- (c) An employee may elect, with the consent of the employer, to take time off instead of payment for overtime at a time or times agreed with the employer, provided that:
  - (i) overtime taken as time off during ordinary hours must be taken at the ordinary time rate, that is an hour for each hour worked; and
  - (ii) an employer must, if requested by an employee, provide payment, at the rate provided for the payment of overtime in this award, for any overtime worked which has not been taken as time off instead of payment for overtime within four weeks of accrual.
- (d) In computing overtime each day's work stands alone.

### **23.2 Rest period after overtime**

- (a) An employee who has worked overtime must be given a break of at least 10 consecutive hours between the time of finishing work and the time when the employee next commences ordinary work. An employer and an individual employee may agree to reduce this break to eight hours. An employee must not lose ordinary pay for any time lost by reason of this break.
- (b) If an employee is required by the employer to resume or continue work without having a break of 10 consecutive hours, the employee must be paid at **200%** of the ordinary hourly rate until the employee is released from duty. The employee is then entitled to a break of 10 consecutive hours and must not lose pay for ordinary working time occurring during such absence.
- (c) For the purposes of this clause, overtime does not include overtime worked when an employee is recalled to work in accordance with clause 23.3 and the actual time worked on the recall is less than three hours.

### **23.3 Recall**

- (a) If an employee is recalled to work overtime after leaving the employer's business premises (whether notified before or after leaving the premises) the employee must be paid for a minimum of four hours.
- (b) Clause 23.3 does not apply if:
  - (i) it is customary for employees to return to their employer's premises to perform a specific job outside their ordinary hours; or
  - (ii) the overtime is continuous (subject to a meal break) with the completion or commencement of ordinary time.
- (c) In the event of cancellation or postponement of such recall when employees report to their place of duty they will be paid for four hours for each such time they are recalled even if they are not required to work.

### **23.4 Standing by**

- (a) Clause 23.4 applies only to employees in one of the classifications in clause 18.3—Maintenance and engineering stream.

- (b) Subject to any custom prevailing at an enterprise, where an employee is required regularly to hold themselves in readiness to work after ordinary hours, the employee must be paid standing by time at the employee's ordinary hourly rate for the time they are standing by.

### **23.5 Transport of employees after overtime**

When an employee, after having worked overtime or a shift for which they have not been regularly rostered, finishes work at a time when reasonable means of transport are not available, the employer must:

- (a) provide the employee with a conveyance home; or
- (b) pay the employee at the overtime rate for the time reasonably occupied in reaching home.

### **24. Sunday work**

### **25. Annual leave**

This annual leave provision may be affected by [AM2014/47 – see draft determination](#)

- 25.1** Annual leave is provided for in the NES.

### **25.2 Requirement to take leave notwithstanding terms of the NES**

An employer may require an employee to take annual leave by giving at least four weeks' notice where more than eight weeks leave is accrued.

### **25.3 Annual leave in advance**

- (a) The employer may allow annual leave to an employee before the right to annual leave has fully accrued.
- (b) Where annual leave has been granted to an employee pursuant to clause 25.2 before the right to annual leave has accrued, and the employee subsequently leaves or is discharged from the service of the employer before completing the service in respect of which leave was granted, the employer may deduct the cash equivalent of the unearned leave which amount will not include any sums paid for any of the holidays prescribed by clause 28—Public holidays.

## 25.4 Definition of shiftworker

For the purpose of the additional week of annual leave provided for in the NES, a **shiftworker** is a seven day shiftworker who is regularly rostered to work on Sundays and public holidays in a business in which shifts are continuously rostered 24 hours a day for seven days a week.

## 25.5 Annual leave loading

- (a) Each employee before going on leave must be paid:
- (i) in the case of day workers—the employee’s ordinary rate of pay for the period of annual leave plus a holiday loading of **17.5%**.
  - (ii) in the case of shiftworkers—the greater of:
    - the amount which the employee would have received had the employee worked their actual roster during the period of leave, excluding overtime and public holiday penalty payments; or
    - the employee’s ordinary time rate of pay for the ordinary hours the employee would have worked on the roster plus a loading of **17.5%**.
- (b) Annual leave loading will not be paid on termination.

**28.5 Rostered day off falling on public holiday**

Provided that where this award makes provision for alteration of any of these matters an alteration is deemed not to have significant effect.

## **30.2 Employers to discuss change**

- (a) The employer must discuss with the employees affected and their representatives, if any, the introduction of the changes referred to in clause 30.1, the effects the changes are likely to have on employees and measures to avert or mitigate the adverse effects of such changes on employees and must give prompt consideration to matters raised by the employees and/or their representatives in relation to the changes.
- (b) The discussions must commence as early as practicable after a definite decision has been made by the employer to make the changes referred to in clause 30.1.
- (c) For the purposes of such discussion, the employer must provide in writing to the employees concerned and their representatives, if any, all relevant information about the changes including the nature of the changes proposed, the expected effects of the changes on employees and any other matters likely to affect employees provided that no employer is required to disclose confidential information the disclosure of which would be contrary to the employer's interests.

## **31. Consultation about changes to rosters or hours of work**

If such discussions do not resolve the dispute, the parties will endeavour to resolve the dispute in a timely manner by discussions between the

employee or employees concerned and more senior levels of management as appropriate.

- 32.2** If a dispute about a matter arising under this award or a dispute in relation to the NES is unable to be resolved at the workplace, and all appropriate steps under clause 32.1 have been taken, a party to the dispute may refer the dispute to the Fair Work Commission.

If an employee fails to give the required notice the employer may withhold from any monies due to the employee on termination under this award or the NES, an amount not exceeding the amount the employee would have been paid under this award in respect of the period of notice required by this clause less any period of notice actually given by the employee.

### **34. Redundancy**

Redundancy pay is provided for in the NES.

### **35. Transfer to lower paid job on redundancy**

Where an employee is transferred to lower paid duties by reason of redundancy, the same period of notice must be given as the employee would have been entitled to if the employment had been terminated and the employer may, at the employer's option, make payment instead

of an amount equal to the difference between the former ordinary time rate of pay and the ordinary time rate of pay for the number of weeks of notice still owing.

### **36. Employee leaving during redundancy notice period**

An employee given notice of termination in circumstances of redundancy may terminate their employment during the period of notice. The employee is entitled to receive the benefits and payments they would have received under clause 34—Redundancy had they remained in employment until the expiry of the notice, but is not entitled to payment instead of notice.

### **37. Job search entitlement**

#### **37.1 Job search entitlement for notice of termination of employment**

Where an employer has given notice of termination to an employee, an employee must be allowed up to one day's time off without loss of pay for the purpose of seeking other employment. The time off is to be taken at times that are convenient to the employee after consultation with the employer.

#### **37.2 Job search entitlement—redundancy**

##### **(a) Time off for seeking other employment**

An employee given notice of termination in circumstances of redundancy must be allowed up to one day's time off without loss of pay during each week of notice for the purpose of seeking other employment.

### **A.2 Clerical, administrative and support stream**

The classification criteria in this schedule provide guidelines to determine the appropriate classification level of persons employed pursuant to this award. In determining the appropriate level, consideration must be given to both the characteristics and typical duties/skills. The characteristics are the primary guide to classification as they indicate the level of basic knowledge, comprehension of issues, problems and procedures required and the level of supervision or accountability of the position. The totality of the characteristics must be read as a whole to obtain a clear understanding of the essential features of any particular level and the competency required. The typical duties/skills are a non-exhaustive list of duties/skills that may be comprehended within the particular level. They are an indicative guide only and at any particular level employees may be expected to undertake duties of any level lower than their own. Employees at any particular level may perform/utilise one such duty/skill, or many of them, depending on the particular work allocated.

The key issue to be looked at in properly classifying an employee is the level of competency and skill that the employee is required to exercise in the work they perform, not the duties they perform per se. It will be noted that some typical duties/skills appear in more than one level, however when assigning a classification to an employee this needs to be done by reference to the specific characteristics of the level. For example, whilst word processing and copy typing are first specifically mentioned at Level 2 in terms of typical duty/skill, it does not mean that as soon as an employee operates a word processor or typewriter they automatically become Level 2. They would achieve a Level 2 classification when they have achieved the level of skill and competency envisaged by the characteristics and the relevant indicative duty(ies)/skill(s) of a Level 2. Level 1 in this structure is to be viewed as the level at which employees learn and gain competence in the basic clerical skills required by the employer, which in most cases would lead to progression through the classification structure as their competency and skills increase and are utilised.

#### **A.2.1 Level 1**

##### **(c) Characteristics**

Employees at this level may include the initial recruit who may have limited relevant experience. Initially work is performed under close direction using established practices, procedures and instructions.

Such employees perform routine clerical and office functions requiring an understanding of clear, straightforward rules or procedures and may be required to operate certain office equipment. Problems can usually be solved by reference to established practices, procedures and instructions.

Employees at this level are responsible and accountable for their own work within established routines, methods and procedures and the less experienced employee's work may be subject to checking at all stages. The more experienced employee may be required to give assistance to less experienced employees in the same classification.

Level 1 is not intended as the entry point for all new employees to the enterprise but is the level where new employees with no industry experience can gain competency in the basic industry skills and skills required by the employer. At this level those basic industry skills are identified under Airline Industry.

**(d) Typical duties/skills**

## **Schedule D—School-based Apprentices**

- D.1** This schedule applies to school-based apprentices. A school-based apprentice is a person who is undertaking an apprenticeship in accordance with this schedule while also undertaking a course of secondary education.
- D.2** A school-based apprenticeship may be undertaken in the trades covered by this award under a training contract for an apprentice declared or recognised by the relevant State or Territory authority.
- D.3** The relevant minimum wages for full-time junior and adult apprentices provided for in this award, calculated hourly, will apply to school-based apprentices for total hours worked including time deemed to be spent in off-the-job training.
- D.4** For the purposes of clause D.3, where an apprentice is a full-time school student, the time spent in off-the-job training for which the apprentice must be paid is 25% of the actual hours worked each week on-the-job. The wages paid for training time may be averaged over the semester or year.
- D.5** A school-based apprentice must be allowed, over the duration of the apprenticeship, the same amount of time to attend off-the-job training as an equivalent full-time apprentice.
- D.6** For the purposes of this schedule, off-the-job training is structured training delivered by a Registered Training Organisation separate from normal work duties or general supervised practice undertaken on the job.
- D.7** The duration of the apprenticeship must be as specified in the training contract for each apprentice but must not exceed six years.
- D.8** School-based apprentices progress through the relevant wage scale at the rate of 12 months progression for each two years of employment as an apprentice or at the rate of competency based progression if provided for in this award.
- D.9** The apprentice wage scales are based on a standard full-time apprenticeship of four years (unless the apprenticeship is of three years duration) or stages of competency based progression if provided for in this award. The rate of progression reflects the average rate of skill acquisition expected from the typical combination of work and training for a school-based apprentice undertaking the applicable apprenticeship.
- D.10** If an apprentice converts from school-based to full-time, the successful completion of competencies (if provided for in this award) and all time spent as a full-time apprentice will count for the purposes of progression through the relevant wage scale in addition to the progression achieved as a school-based apprentice.
- D.11** School-based apprentices are entitled pro rata to all of the other conditions in this award.

**SWS wage assessment agreement** means the document in the form required by the Department of Social Services that records the employee’s productive capacity and agreed wage rate

### **E.3 Eligibility criteria**

**E.3.1** Employees covered by this schedule will be those who are unable to perform the range of duties to the competence level required within the class of work for which the employee is engaged under this award, because of the effects of a disability on their productive capacity and who meet the impairment criteria for receipt of a disability support pension.

**E.3.2** This schedule does not apply to any existing employee who has a claim against the employer which is subject to the provisions of workers compensation legislation or any provision of this award relating to the rehabilitation of employees who are injured in the course of their employment.

### **E.4 Supported wage rates**

**(d) School-based traineeships**

Subject to clauses F.5.2(f) and F.5.3 of this schedule, the minimum wages for a trainee undertaking a school-based AQF Certificate Level I–III traineeship whose training package and AQF certificate levels are allocated to Wage Levels A, B or C by clause F.7 are as follows when the trainee works ordinary hours:

| Year of schooling |          |
|-------------------|----------|
| Year 11 or lower  | Year 12  |
| per hour          | per hour |
| \$                | \$       |
| 9.71              | 10.70    |

**(e) AQF Certificate Level IV traineeships**

(i) Subject to clauses F.5.2(f) and F.5.3 of this schedule, the minimum wages for a trainee undertaking a part-time AQF Certificate Level IV traineeship are the minimum wages for the relevant part-time AQF Certificate Level III traineeship with the addition of 3.8% to those minimum wages.

(ii) Subject to clauses F.5.2(f) and F.5.3 of this schedule, the minimum wages for an adult trainee undertaking a part-time AQF Certificate Level IV traineeship are as follows, provided that the relevant wage level is that for the relevant AQF Certificate Level III traineeship:

| Wage level   | First year of traineeship | Second and subsequent years of traineeship |
|--------------|---------------------------|--|
|              | per hour                  | per hour                                   |
|              | \$                        | \$   |
| Wage Level A | 20.51                     | 21.31                                      |
| Wage Level B | 19.77                     | 20.54                                      |
| Wage Level C | 18.01                     | 18.70                                      |

**(f) Calculating the actual minimum wage**

(i) Where the full-time ordinary hours of work are not 38 or an average of 38 per week, the appropriate hourly minimum wage is obtained by multiplying the relevant minimum wage in clauses F.5.2(a)–(e) of this schedule by 38 and then dividing the figure obtained by the full-time ordinary hours of work per week.

- (ii) Where the approved training for a part-time traineeship is provided fully off-the-job by a registered training organisation, for example at school or at TAFE, the relevant minimum wage in clauses F.5.2(a)–(e) of this schedule applies to each ordinary hour worked by the trainee.
- (iii) Where the approved training for a part-time traineeship is undertaken solely on-the-job or partly on-the-job and partly off-the-job, the relevant minimum wage in clauses F.5.2(a)–(e) of this schedule minus 20% applies to each ordinary hour worked by the trainee.

### **F.5.3 Other minimum wage provisions**

- (a) An employee who was employed by an employer immediately prior to becoming a trainee with that employer must not suffer a reduction in their minimum wage per week or per hour by virtue of becoming a trainee. Casual loadings will be disregarded when determining whether the employee has suffered a reduction in their minimum wage.
- (b) If a qualification is converted from an AQF Certificate Level II to an AQF Certificate Level III traineeship, or from an AQF Certificate Level III to an AQF Certificate Level IV traineeship, then the trainee must be paid the next highest minimum wage provided in this schedule, where a higher minimum wage is provided for the new AQF certificate level.

### **F.5.4 Default wage rate**

The minimum wage for a trainee undertaking an AQF Certificate Level I–III traineeship whose training package and AQF certificate level are not allocated to a wage level by clause F.7 is the relevant minimum wage under this schedule for a trainee undertaking an AQF Certificate to Level I–III traineeship whose training package and AQF certificate level are allocated to Wage Level B.

## **F.6 Employment conditions**

**F.6.1** A trainee undertaking a school-based traineeship may, with the agreement of the trainee, be paid an additional loading of 25% on all ordinary hours worked instead of paid annual leave, paid personal/carer's leave and paid absence on public holidays, provided that where the trainee works on a public holiday then the public holiday provisions of this award apply.

**F.6.2** A trainee is entitled to be released from work without loss of continuity of employment and to payment of the appropriate wages to attend any training and assessment specified in, or associated with, the training contract.

**F.6.3** Time spent by a trainee, other than a trainee undertaking a school-based traineeship, in attending any training and assessment specified in, or associated with, the training contract is to be regarded as time worked for the employer for the purposes of calculating the trainee's wages and determining the trainee's employment conditions.

**Note:** The time to be included for the purpose of calculating the wages for part-time trainees whose approved training is fully off-the-job is determined by clause F.5.2(f)(ii) and not by this clause.

**F.6.4** Subject to clause F.3.5 of this schedule, all other terms and conditions of this award apply to a trainee unless specifically varied by this schedule.
