Part 1—Application and Operation

1. Title and commencement

- 1.1 This award is the *Professional Diving Industry (Industrial) Award 2014*.
- 1.2 This award supersedes the *Professional Diving Industry (Industrial) Award 2010* but this does not affect any right, privilege, obligation or liability that a person acquired, accrued or incurred under the superseded award.
- 1.3 Schedule E—Definitions sets out definitions that apply in this award.
- 1.4 The monetary obligations imposed on employers by this award may be absorbed into overaward payments. Nothing in this award requires an employer to maintain or increase any overaward payment.

2. The National Employment Standards and this award

- 2.1 The [National Employment Standards](#) (NES) and entitlements in this award contain the minimum conditions of employment for employees covered by this award.
- 2.2 Where this award refers to a condition of employment provided for in the NES, the NES definition applies.
- 2.3 The employer must ensure that copies of this award and the NES are available to all employees to whom they apply.

3. Coverage

- 3.1 This industry award covers employers throughout Australia in the provision of underwater services to industry, including offshore exploration and development diving and related shipboard services, and their employees in the classifications listed in Schedule A—Classification Definitions to the exclusion of any other modern award.
- 3.2 In clause 3.1, Australia means all areas within the Commonwealth of Australia or within the adjacent areas as defined in the Offshore Petroleum and Greenhouse Gas Storage Acts (State or Federal) and/or the Petroleum (Submerged Lands) Acts (State) and/or such areas that fall within the territorial jurisdiction of the Commonwealth of Australia.

This clause has been updated to reflect legislative changes and now refers also to the Offshore Petroleum and Greenhouse Gas Storage Acts (State or Federal).

- 3.3 The award does not cover employers and employees covered by the classifications listed in the *Professional Diving Industry (Recreational) Award 2014*.

It is proposed that the Professional Diving Industry (Recreational) Award be merged with the Marine Tourism and Charter Vessels Award. If this occurs, this award title should be updated accordingly.

3.4 This award covers any employer which supplies labour on an on-hire basis in the industry set out in clause 3.1 in respect of on-hire employees in classifications covered by this award, and those on-hire employees, while engaged in the performance of work for a business in that industry. This subclause operates subject to the exclusions from coverage in this award.

3.5 This award does not cover:

- (a) employees excluded from award coverage by the *Fair Work Act 2009* (Cth) (the Act);
- (b) employees who are covered by a modern enterprise award or an enterprise instrument (within the meaning of the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cth)), or employers in relation to those employees; or
- (c) employees who are covered by a State reference public sector modern award or a State reference public sector transitional award (within the meaning of the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cth)), or employers in relation to those employees.

NOTE: Section [143\(7\)](#) of the Act describes classes of employees who are excluded from being covered by a modern award.

3.6 Where an employer is covered by more than one award, an employee of that employer is covered by the award classification which is most appropriate to the work performed by the employee and to the environment in which the employee normally performs the work.

NOTE: Where there is no classification for a particular employee in this award it is possible that the employer and that employee are covered by an award with occupational coverage.

4. Award flexibility

This provision is being reviewed as a common issue

4.1 Notwithstanding any other provision of this award, an employer and an individual employee may agree to vary the application of certain terms of this award to meet the genuine individual needs of the employer and the individual employee. The terms the employer and the individual employee may agree to vary the application of, are those concerning:

- (a) arrangements for when work is performed;
- (b) overtime rates;
- (c) penalty rates;
- (d) allowances; and
- (e) leave loading.

- 4.2** The employer and the individual employee must have genuinely made the agreement without coercion or duress. An agreement under this clause can only be entered into after the individual employee has commenced employment with the employer.
- 4.3** The agreement between the employer and the individual employee must:
- (a)** be confined to a variation in the application of one or more of the terms listed in clause 4.1; and
 - (b)** result in the employee being better off overall at the time the agreement is made than the employee would have been if no individual flexibility agreement had been agreed to.
- 4.4** The agreement between the employer and the individual employee must also:
- (a)** be in writing, name the parties to the agreement and be signed by the employer and the individual employee and, if the employee is under 18 years of age, the employee's parent or guardian;
 - (b)** state each term of this award that the employer and the individual employee have agreed to vary;
 - (c)** detail how the application of each term has been varied by agreement between the employer and the individual employee;
 - (d)** detail how the agreement results in the individual employee being better off overall in relation to the individual employee's terms and conditions of employment; and
 - (e)** state the date the agreement commences to operate.
- 4.5** The employer must give the individual employee a copy of the agreement and keep the agreement as a time and wages record.
- 4.6** Except as provided in clause 4.4(a) the agreement must not require the approval or consent of a person other than the employer and the individual employee.
- 4.7** An employer seeking to enter into an agreement must provide a written proposal to the employee. Where the employee's understanding of written English is limited the employer must take measures, including translation into an appropriate language, to ensure the employee understands the proposal.
- 4.8** The agreement may be terminated:
- (a)** by the employer or the individual employee giving 13 weeks' notice of termination, in writing, to the other party and the agreement ceasing to operate at the end of the notice period; or
 - (b)** at any time, by written agreement between the employer and the individual employee.

NOTE: If any of the requirements of [s.144\(4\)](#), which are reflected in the requirements of this clause, are not met then the agreement may be terminated by either the employee or the employer, giving written notice of not more than 28 days (see [s.145](#) of the Act).

- 4.9** The notice provisions in clause 4.8(a) only apply to an agreement entered into from the first full pay period commencing on or after 4 December 2013. An agreement entered into before that date may be terminated in accordance with clause 4.8(a), subject to four weeks' notice of termination.
- 4.10** The right to make an agreement pursuant to this clause is in addition to, and is not intended to otherwise affect, any provision for an agreement between an employer and an individual employee contained in any other term of this award.

5. Facilitative provisions

- 5.1** A facilitative provision provides that the standard approach in an award provision may be departed from by agreement between an employer and an individual employee, or the majority of employees in the enterprise or part of the enterprise concerned. Facilitative provisions are not to be used as a device to avoid award obligations nor should they result in unfairness to an employee or employees covered by this award.
- 5.2** Facilitative provisions in this award are contained in the following clauses:
- (a) clause 8.1(e)—Ordinary hours of work and rostering;
 - (b) clause 8.2(c)—Roster cycles for offshore divers; and
 - (c) clause 10.3(a)—Payment of wages.

Part 2—Types of Employment and Classifications

6. Types of employment

- 6.1** Employees under this award will be employed in one of the following categories:
- (a) full-time; or
 - (b) casual.
- 6.2 Full-time employees**
- (a) A full-time employee is engaged to work an average of 38 ordinary hours per week.
 - (b) Where employment is of less than four weeks' duration, employees will be paid casual rates.
 - (c) Inshore divers must be employed by the week.
 - (d) For offshore divers, employment for the first four weeks will be on a weekly basis and thereafter will be on a calendar month basis.
- 6.3 Casual employees**
- (a) A casual employee is an employee who is engaged and paid as a casual employee.

- (b) A casual employee will be paid an hourly rate with a minimum payment of eight hours except as provided for in clause 6.3(e).

- (c) **Casual loading**

For each ordinary hour worked, a casual employee must be paid:

- (i) 1/38th of the minimum weekly rate; and
 - (ii) a loading of 25% of the minimum hourly rate,
- for the classification in which they are employed.

Parties are asked to clarify whether casual rates should be based on a 33 hour week (in accordance with the hours of work specified in clause 8.1(b) or a 38 hour week in accordance with [clause 10.3\(c\)](#) of the current award. Clause 29.3 of the pre-reform award, *Professional Divers' - Maritime Union of Australia Award 2002* [[AP814932](#)] provided a divisor of 33 when calculating the hourly rate for casual employees.

- (iii) The casual loading is paid instead of annual leave, paid personal/carer's leave, notice of termination, redundancy benefits and the other entitlements of full-time or part-time employment.

- (iv) The loading constitutes part of the casual employee's all purpose rate.

- (d) The following provisions of this award do not apply to casual employees:

Parties are asked to provide a list of provisions that do not apply to casual employees.

- (e) Where casual inshore divers are required to attend for work at the usual starting time and are not required to start work, they must be paid four hours' pay plus fares and travelling time in accordance with clause 11.3(b).
- (f) Casual employment is to be terminated by four hours' notice on either side, or by the payment or forfeiture of four hours' wages as the case may be.

7. **Classifications**

The classification structure and definitions under this award are set out at Schedule A—Classification Definitions.

Part 3—Hours of Work

8. **Ordinary hours of work and rostering**

8.1 **Ordinary hours and roster cycles—inshore divers**

- (a) Ordinary hours are worked between 6.00 am to 6.00 pm, Monday to Friday.
- (b) The ordinary hours of work for a full-time employee will not exceed six hours and 36 minutes per day.

- (c) The ordinary hours of work for a casual employee will be in accordance with clause 6.3.
- (d) Work undertaken prior to the spread of hours provided by clause 8.1(a) for which overtime rates are payable will be deemed for the purposes of this clause to be part of the ordinary hours of work.
- (e) The spread of hours provided by clause 8.1(a) may be altered by up to one hour by mutual agreement between the employer and employees.
- (f) Where employees are not employed on diving operations during the full six hours and 36 minutes in any one day, the employer may use their services on other work for any time remaining.

8.2 Ordinary hours and roster cycles—offshore divers

- (a) The average daily hours of work for an offshore diver will be no greater than 12 hours, unless they are subject to greater than atmospheric pressure.

Should the award provide for maximum working hours where an employee is subject to greater than atmospheric pressure?

- (b) **Leave accrual**

For each on-duty day worked, employees (other than casual employees) will receive one paid off-duty leave day.

- (c) **Rosters**

Starting and finishing times will be in accordance with a nominated regularly recurrent roster schedule. The employer will establish a regularly recurring roster of equal on-duty and off-duty periods for each work site. The on-duty and off-duty periods will each be of 14 days' duration, provided that other equal periods may be worked by agreement between the employer and a majority of affected employees.

- (d) **On-duty period**

The on-duty period for employees (other than casual employees) will commence on the day of arrival at the designated point of embarkation to the work site.

- (e) **Off-duty period**

- (i) The off-duty period for employees (other than casual employees) will commence on the day of departure from the work site.
- (ii) If the employee is held over beyond midnight on their crew change day and/or subsequent days, they will be paid one day's pay at 20% of the minimum weekly wage rate in clause 10.1, but they will not accrue a subsequent leave day.

- (f) **Not attending for duty**

Employees not attending for duty in a rostered on-duty period other than as provided for elsewhere in this clause will not receive payment nor accrue off-duty leave days in respect of such period.

(g) Authorised paid leave

Employees who are absent during a rostered on-duty period, for reasons provided for in clause 16—Personal/carer’s leave and compassionate leave will be paid as if on-duty for the period of such absence.

(h) Authorised unpaid leave

Where requested by an employee, the employer may grant authorised unpaid leave to that employee. The employee will not receive payment nor accrue or use paid off-duty leave days in respect of such period of absence. The granting of authorised unpaid leave will be at the sole discretion of the employer.

(i) Roster changes by the employer

Where a roster is changed by the employer and the commencement of an employee’s on-duty period is brought forward, the employee will be considered to be on duty from the day of arrival at the designated point of embarkation.

(j) Roster changes by the employee

Where a roster is changed at the request of an employee, the employee will be either on-duty and accruing off-duty leave days or off-duty and using off-duty leave days as provided in clauses 8.2(d) and 8.2(e).

(k) Returning to work early

Where an employee commences duty prior to the commencement of the employee’s rostered on-duty period, the employee will be considered to be on-duty from the day of arrival at the designated point of embarkation.

(l) Prevented from commencing an on-duty period

Where an employee reports for duty at a designated assembly point but cannot be transported to the offshore work site due to weather conditions, insufficient work or other circumstances beyond the employer’s control, the period of such delay will be regarded as an on-duty period provided that the employer may gainfully employ the employee onshore.

(m) Prevented from remaining on duty

Where during an on-duty period an employee cannot remain at the offshore work site due to circumstances beyond the employer’s control, such days will be considered to be on-duty days provided that the employer may gainfully employ the employee onshore.

(n) Prevented from commencing off-duty period

Where due to weather conditions or other circumstances an employee is delayed offshore and prevented from commencing a rostered off-duty period the employee will be on duty and accruing off-duty leave days until the employee actually commences an off-duty period.

(o) Imbalance of off-duty leave days owed and actually taken

- (i) Subject to 8.2, an employee may accrue more off-duty leave days than are taken or take more off-duty leave days than have been accrued.
- (ii) Where the employee accrues more off-duty leave days than are taken the balance will be recorded and taken at another time.
- (iii) Where the employee takes more off-duty leave days than are accrued they will be deducted from any balance of off-duty days yet to be taken. Where that results in a negative balance of off-duty leave days that number of days will be subtracted from the employee’s pay for that month.
- (iv) A positive balance of off-duty days owed to the employee on termination will be paid to the employee at that time.

8.3 Work on first day of off-duty period

To allow a smooth changeover of on-duty and off-duty crews, employees will normally be required to work for some period of the first day of their off-duty period on the understanding that they will on average not work a corresponding period on the first day of their on-duty period.

9. Breaks—inshore divers

An inshore diver is entitled to a meal break of a duration and at a time fixed by agreement, provided that no employee will work more than three hours without such a break.

Parties are asked to clarify if this is a paid or unpaid meal break.

Part 4—Wages and Allowances

10. Minimum wages

10.1 Minimum wages—Inshore divers

An employer must pay adult inshore divers the following minimum wages for ordinary hours worked by the employee:

Parties are asked to clarify whether hourly rates should be based on a 33 hour week (in accordance with the hours of work specified in clause 8.1(b) or a 38 hour week in accordance with clause 6.3(c)(i). Clause 29.3 of the pre-reform award, *Professional Divers' - Maritime Union of Australia Award 2002* [AP814932] provided a divisor of 33 when calculating the hourly rate for casual employees.

See Schedule B for a summary of rates of pay, including overtime and penalties.

See Schedule B for a summary of rates of pay, including overtime and penalties.

This award does not provide junior rates. Should the word 'adult' be removed from clauses 10.1 and 10.2(a)?

- (b) A full-time employee engaged in offshore diving must be paid the total weekly rate which is the minimum weekly rate plus the aggregate weekly factor.
- (c) The aggregate weekly factor specified in clause 10.2(a) includes payment for the various rosters that may be worked, overtime, the nature of the industry and penalties and conditions of employment applicable to the work performed.
- (d) Total monthly rates are calculated by multiplying the total weekly rate specified in clause 10.2(a) by 4.35.

10.3 Payment of wages

- (a) Wages will be paid either weekly or fortnightly, unless otherwise agreed between the employer and the employee.
- (b) Wages will be paid by cash, bank cheque or electronic funds transfer (EFT).
- (c) Employees kept waiting for their wages on pay day for more than 15 minutes after the usual time for ceasing work must be paid overtime rates after that 15 minutes.
- (d) On termination of employment, wages due to employees must be paid to them on the day of such termination or forwarded to them by post on the next working day.

Can payment after the day of termination be made by EFT?

- (e) Section [536](#) of the Act requires the employer to give a pay slip to an employee within one working day of paying an amount to the employee in relation to the performance of work. The [Fair Work Regulations 2009](#) specify the information that must be included in a pay slip.

10.4 Higher duties

- (a) Where employees perform the duties of a higher paid classification for a day or part day they will be paid at the higher rate for that day and paid at the higher rate for an equivalent day in their off-duty period.
- (b) For the purposes of clause 10.4(a), a higher paid classification means a classification where the total salary and allowances payable are greater than the total salary and allowances payable at the employee's current classification.

11. Allowances—~~inshore divers~~

11.1 Employers must pay to an employee the allowances the employee is entitled to under this clause. See Schedule C for a summary of monetary allowances and method of adjustment.

11.2 Wage related allowances

(a) Diving allowance

A Diver will be paid a diving allowance of **\$3.85** per metre or **\$1.17** per foot of water or equivalent pressure. The allowance will be payable once in respect of the greatest depth or equivalent pressure incurred each day.

- (i) The allowance will:
- only apply to dives made in excess of 50 feet or 15 metres of water or equivalent pressure or when decompression is necessary whichever will occur first; and
 - be calculated from the surface to the maximum depth or equivalent pressure attained during the dive.
- (ii) The allowance will not be paid to persons performing practice or training dives. Underwater services will not be performed for the employer during practice or training dives.
- (iii) Diving Supervisors will receive 20% of the average diving allowance paid to Divers under their control. Average diving allowance will be calculated daily by *dividing* the total diving allowance earned by divers whilst under the control of a Diving Supervisor *by* the number of divers who earned a diving allowance on that day.

(b) Non-destructive testing allowance

Employees engaged in non-destructive testing of structures by the methods of magnetic particle testing, ultrasonic testing and radiography will be paid an allowance of **\$58.16** per day for each day or part day on which they are engaged in such duties.

(c) Hyperbaric welding allowance

- (i) The Hyperbaric Welder rate as specified in clause 11.2(c)(ii) will apply from the date an employee is required to carry out such duties. The payment will cease when the employee is no longer required by the employer to carry out those duties.
- (ii) A Hyperbaric Welder will be entitled to a payment of **\$4.39** per linear millimetre for a successfully completed weld. For the purpose of this clause, **successfully completed** means a weld which has been accepted by the client without the necessity for repair.
- (iii) Provided that instead of clause 11.2(c)(ii) a Hyperbaric Welder will be entitled to payment of **\$2.96** per linear millimetre for a weld which requires repair prior to being accepted by the client.

(d) Annual medical exam allowance

Employees who are subjected to greater than atmospheric pressure will be reimbursed the cost of an annual medical examination which will include, but not be limited to, the requirement set out in Appendix A of the Standards Association of Australia Underwater Air Breathing Operations Standard AS 2299.  - are notified that they will be required to work overtime the following day and such order is cancelled after they have left work on the day on which they were notified.
- (ii) The meal allowance is not payable when:
- an employee is notified the previous day that their services are required; or
 - a hot meal is provided by the employer.

(b) Fares and travelling time allowance

- (ii) Where employees start and finish work beyond the 50 km radius referred to in clause 11.3(b)(i) they will be reimbursed for the actual fares incurred and all time spent travelling beyond this radius will be paid at ordinary rates.

(c) Distant work allowance

- (i) For the purpose of 11.3(c) **distant work** is work in which the distances, or the travelling facilities to and from places of work, make it reasonably necessary that employees will live and sleep at some place other than their usual place of residence at the time of starting work. Provided that if employees, whilst employed on distant work, change their usual place of residence, the new place of residence or any further change thereof (if made whilst employed on distant work) will be their usual place of residence for determination of whether the work is distant work.
- (ii) Employees engaged on distant work will be conveyed with equipment to and from work at their employer's expense. Such conveyance will be made each time the employee is recalled and sent again to the place of work. Provided that return fares and travelling time need not be paid to employees who:
- leave the employment of their own free will before the completion of the job or before being employed for three months, whichever happens first; or
 - are discharged for incompetence within one week of engagement; or
 - are discharged for misconduct.

- (iii) The rate of pay for time occupied in travelling to and from distant work will be ordinary rates, except on Sundays and public holidays when an employee will be paid 150% of the minimum hourly rate. Employees will also be paid an amount of **\$6.05** to cover the expenses, if any, of reaching home and of transporting their personal diving equipment.
- (iv) The maximum travelling time to be paid for will be 12 hours out of every 24 hours, or when a sleeping berth is provided by the employer for all night travel, eight hours out of every 24 hours.

- (vi) In the case of broken parts of the week occurring at the beginning or ending of the employment on a distant job the allowance will be **\$45.27** per day or one seventh of any other weekly amount agreed upon.
- (vii) The provisions of 11.3(c)(v) and (vi) do not apply if the employer provides reasonable board and lodging.
- (viii) Employees who consent to use their own vehicle in the course of their employment will be paid an allowance of **\$0.78** per kilometre. This allowance is for the use of the vehicle by the employee for transporting the employee and the employee's personal diving equipment.

(d) Diving clothing and equipment allowance

Employees who supply their own wet suits and personal diving equipment including weightbelt and diving knife will be paid, in addition to the ordinary rate, an allowance of **\$7.08** per day on each day on which the equipment is used.

(e) Protective clothing, footwear and equipment allowance

- (i) Employees will be reimbursed for the cost of all required industrial protective clothing, footwear and safety equipment other than that prescribed in clause 11.3(d). This provision does not apply if the clothing and the equipment is supplied by the employer.
- (ii) Casual employees may, instead of the provision of footwear by the employer, be paid an amount of **\$2.53** per day of employment for the purchase of approved safety footwear. This allowance will not be payable where safety footwear is not required to be worn.

12. Allowances—offshore divers

- 12.1** Employers must pay to an employee the allowances the employee is entitled to under this clause. See Schedule C for a summary of monetary allowances and method of adjustment.

12.2 Wage related allowances

(a) Disability allowance

- (ii) casual employees will receive an allowance of **\$70.37** per day.

The allowance in clause 12.2(a) is paid in recognition of all disabilities and work requirements associated with living and working from such a vessel. The amounts in this clause reflect payment for the on-duty and off-duty period.

(b) Diving allowances

(i) Diving other than ADS Operations

A Diver will be paid a diving allowance of **\$3.49** per metre or **\$1.04** per foot or equivalent pressure as follows:

Under superannuation legislation individual employees generally have the opportunity to choose their own superannuation fund. If an employee does not choose a superannuation fund, any superannuation fund nominated in the award covering the employee applies.
- (b) The rights and obligations in these clauses supplement those in superannuation legislation.

13.2 Employer contributions

An employer must make such superannuation contributions to a superannuation fund for the benefit of an employee as will avoid the employer being required to pay the superannuation guarantee charge under superannuation legislation with respect to that employee.

13.3 Voluntary employee contributions

- (a) Subject to the governing rules of the relevant superannuation fund, an employee may, in writing, authorise their employer to pay on behalf of the employee a specified amount from the post-taxation wages of the employee into the same superannuation fund as the employer makes the superannuation contributions provided for in clause 13.2.

14.1 Definition of overtime

For an inshore diver, overtime is any time worked:

- (a) in excess of six hours and 36 minutes per day; or

See Schedule B for a summary of hourly rates of pay including overtime.

14.3 Call back

An employee recalled to work overtime after leaving the employer’s business premises (whether notified before or after leaving the premises) must be engaged and paid for a minimum of four hours work at the overtime rates even when the employee is not required to work for the full four hours.

Part 6—Leave, Public Holidays and Other NES Entitlements

15. Annual leave

This provision is being reviewed in [AM2014/47](#)

15.1 Annual leave is provided for in the NES. Casual employees are not entitled to paid annual leave. The NES provides for the accrual of four weeks’ paid leave per year. For the full NES annual leave entitlement see [ss.86–94](#) of the Act.

15.2 Payment for annual leave

(a) Before the start of an employee’s annual leave, the employer must pay the employee the amount the employee would have been paid for working ordinary hours during the period of annual leave.

(b) Leave loading—inshore divers

In addition, the employer must pay inshore divers an annual leave loading of 17.5% calculated at the employee’s minimum hourly rate.

15.3 Leave for offshore divers is provided for in clause 8.2—Ordinary hours and roster cycles—offshore divers.

16. Personal/carer's leave and compassionate leave

16.1 Personal/carer's leave and compassionate leave are provided for in the NES. Casual employees are not entitled to paid personal/carer's leave or paid compassionate leave. The NES provides for:

- the accrual of 10 days' paid personal/carer's leave per year;
- 2 days' unpaid carer's leave (as required); and
- 2 days' paid (unpaid for casuals) compassionate leave (as required).

16.2 For the full NES entitlement to personal/carer's leave and compassionate leave see [ss.95–107](#) of the Act.

16.3 Personal/carer's leave and compassionate leave are not paid on termination of employment.

17. Parental leave and related entitlements

17.1 Parental leave and related entitlements are provided for in the NES. The NES provides up to 12 months' unpaid leave to eligible employees, plus a right to request an additional 12 months' unpaid leave, plus other forms of maternity, paternity and adoption-related leave.

17.2 For the full NES parental leave entitlement see [ss.67–85](#) of the Act.

18. Public holidays

18.1 Public holiday entitlements are provided for in the NES. The NES provides a paid day off on each public holiday, except where reasonably requested to work. For the full NES public holiday entitlement see [ss.114–116](#) of the Act.

18.2 A casual employee who does not work on a public holiday is not entitled to a paid day off.

18.3 An inshore diver required to work on a public holiday will be paid at the rate of **250%** of the casual hourly rate, with a minimum payment for four hours' work.

19. Community service leave

Community service leave is provided for in the NES. The NES provides unpaid leave for voluntary emergency activities and up to 10 days' paid leave for jury service (after 10 days, leave is unpaid). For the full NES community service leave entitlement see [ss.108–112](#) of the Act.

20. Termination of employment

20.1 Notice of termination is provided for in the NES. The NES provides between one and four weeks' notice of termination based on length of service. Employees over 45 years old who have been with the employer for at least two years are entitled to an

extra week's notice. For the full NES notice of termination entitlement see [ss.117–118](#) of the Act.

20.2 Termination of casual employees is in accordance with clause 6.3(f).

20.3 Notice of termination by an employee

The notice of termination required to be given by an employee is the same as that required of an employer, except that there is no requirement for employees over 45 years old to give additional notice. If an employee fails to give the required notice, the employer may withhold any money due to the employee on termination under this award or the NES, an amount not exceeding the amount the employee would have been paid under this award in respect of the period of notice required by this clause, less any period of notice actually given by the employee.

20.4 Job search entitlement

Where an employer has given notice of termination to an employee, an employee must be allowed up to one days' time off without loss of pay for the purpose of seeking other employment. The time off is to be taken at times that are convenient to the employee after consultation with the employer.

21. Redundancy

21.1 Redundancy pay is provided for in the NES. The NES provides between zero and 16 weeks' redundancy pay upon redundancy, depending on length of service. Small business employers are excluded from the obligation to pay redundancy pay. For the full NES redundancy pay entitlement see [ss.119–122](#) of the Act.

21.2 A **small business employer** is defined in the Act as an employer that employs fewer than 15 employees. The way that the number of employees is calculated is set out in [s.23](#) of the Act.

21.3 Transfer to lower paid duties

Where an employee is transferred to lower paid duties by reason of redundancy, the same period of notice must be given as if the employment had been terminated and the employer may, at the employer's option, make payment instead. The payment will be equal to the difference between the former ordinary time rate of pay and the ordinary time rate of pay for the number of weeks of notice still owing.

21.4 Employee leaving during notice period

An employee given notice of termination in circumstances of redundancy may terminate their employment during the period of notice. The employee is entitled to receive the benefits and payments they would have received under this clause had they remained in employment until the expiry of the notice, but is not entitled to payment instead of notice.

21.5 Job search entitlement

(a) An employee given notice of termination in circumstances of redundancy must be allowed up to one day's time off without loss of pay during each week of notice for the purpose of seeking other employment.

- (b) If the employee has been allowed paid leave for more than one day during the notice period for the purpose of seeking other employment, the employee must, at the request of the employer, produce proof of attendance at an interview or they will not be entitled to payment for the time absent. For this purpose a statutory declaration is sufficient.
- (c) This entitlement applies instead of clause 20.4.

Part 7—Consultation and Dispute Resolution

Provided that where this award makes provision for alteration of any of these matters an alteration is deemed not to have significant effect.

(b) Employers to discuss change

- (i) The employer must discuss with the employees affected and their representatives, if any, the introduction of the changes referred to in clause 22.1(a), the effects the changes are likely to have on employees and measures to avert or mitigate the adverse effects of such changes on employees and must give prompt consideration to matters raised by the employees and/or their representatives in relation to the changes.
- (ii) The discussions must commence as early as practicable after a definite decision has been made by the employer to make the changes referred to in clause 22.1(a).
- (iii) For the purposes of such discussion, the employer must provide in writing to the employees concerned and their representatives, if any, all relevant information about the changes including the nature of the changes proposed, the expected effects of the changes on employees and any other matters likely to affect employees provided that no employer is required to disclose confidential information the disclosure of which would be contrary to the employer's interests.

22.2 Consultation about changes to rosters or hours of work

- (a) Where an employer proposes to change an employee's regular roster or ordinary hours of work, the employer must consult with the employee or employees affected and their representatives, if any, about the proposed change.
- (b) The employer must:
 - (i) provide to the employee or employees affected and their representatives, if any, information about the proposed change (for example, information about the nature of the change to the employee's regular roster or ordinary hours of work and when that change is proposed to commence);
 - (ii) invite the employee or employees affected and their representatives, if any, to give their views about the impact of the proposed change (including any impact in relation to their family or caring responsibilities); and

- (c) The requirement to consult under this clause does not apply where an employee has irregular, sporadic or unpredictable working hours.
- (d) These provisions are to be read in conjunction with other award provisions concerning the scheduling of work and notice requirements.

23. Dispute resolution

- 23.1 In the event of a dispute about a matter under this award, or a dispute in relation to the NES, in the first instance the parties must attempt to resolve the matter at the workplace by discussions between the employee or employees concerned and the relevant supervisor. If such discussions do not resolve the dispute, the parties will endeavour to resolve the dispute in a timely manner by discussions between the employee or employees concerned and more senior levels of management as appropriate.
- 23.2 If a dispute about a matter arising under this award or a dispute in relation to the NES is unable to be resolved at the workplace, and all appropriate steps under clause 23.1 have been taken, a party to the dispute may refer the dispute to the Fair Work Commission.
- 23.3 The parties may agree on the process to be utilised by the Fair Work Commission including mediation, conciliation and consent arbitration.
- 23.4 Where the matter in dispute remains unresolved, the Fair Work Commission may exercise any method of dispute resolution permitted by the Act that it considers appropriate to ensure the settlement of the dispute.
- 23.5 An employer or employee may appoint another person, organisation or association to accompany and/or represent them for the purposes of this clause.

- 23.6** While the dispute resolution procedure is being conducted, work must continue in accordance with this award and the Act. Subject to applicable occupational health and safety legislation, an employee must not unreasonably fail to comply with a direction by the employer to perform work, whether at the same or another workplace, that is safe and appropriate for the employee to perform.
