- 2.1 The [National Employment Standards](#) (NES) and entitlements in this award contain the minimum conditions of employment for employees covered by this award.
- 2.2 Where this award refers to a condition of employment provided for in the NES, the NES definition applies.
- 2.3 The employer must ensure that copies of this award and the NES are available to all employees to whom they apply.

### 3. Coverage

- 3.1 This industry award covers employers throughout Australia in the passenger vehicle transportation industry and their employees in the classifications listed in clause 10—Minimum wages to the exclusion of any other modern award.

This subclause operates subject to the exclusions from coverage in this award.
- 3.4 This award covers employers which provide group training services for trainees engaged in the industry and/or parts of industry set out at clause 3.1 and those trainees engaged by a group training service hosted by a company to perform work at

a location where the activities described in clause 3.1 are being performed. This subclause operates subject to the exclusions from coverage in this award.

- (b) employees who are covered by a modern enterprise award or an enterprise instrument (within the meaning of the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cth)), or employers in relation to those employees; or
- (c) employees who are covered by a State reference public sector modern award or a State reference public sector transitional award (within the meaning of the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cth)), or employers in relation to those employees.

NOTE: Section [143\(7\)](#) of the Act describes classes of employees who are excluded from being covered by a modern award.

**3.6** Where an employer is covered by more than one award, an employee of that employer is covered by the award classification which is most appropriate to the work performed by the employee and to the environment in which the employee normally performs the work.

NOTE: Where there is no classification for a particular employee in this award it is possible that the employer and that employee are covered by an award with occupational coverage.

## **4. Award flexibility**

**4.1** Notwithstanding any other provision of this award, an employer and an individual employee may agree to vary the application of certain terms of this award to meet the genuine individual needs of the employer and the individual employee. **Exposure draft – Passenger Vehicle Transportation Award 2014**

- (a) be confined to a variation in the application of one or more of the terms listed in clause 4.1; and

**4.4** The agreement between the employer and the individual employee must also:

- (a) be in writing, name the parties to the agreement and be signed by the employer and the individual employee and, if the employee is under 18 years of age, the employee's parent or guardian;

Where the employee's understanding of written English is limited the employer must take measures, including translation into an appropriate language, to ensure the employee understands the proposal.

**4.8** The agreement may be terminated:

- (a) by the employer or the individual employee giving 13 weeks' notice of termination, in writing, to the other party and the agreement ceasing to operate at the end of the notice period; or

## **5. Facilitative provisions**

**5.1** A facilitative provision provides that the standard approach in an award provision may be departed from by agreement between an employer and an individual employee, or an employer and the majority of employees in the enterprise or part of the enterprise concerned. Facilitative provisions are not to be used as a device to avoid award obligations nor should they result in unfairness to an employee or employees covered by this award.

Time worked	Rate	Casual rate (inclusive of 25% loading)
	<b>% of minimum hourly rate</b>	
Monday to Friday—all hours	100%	125%
Saturday—all hours	125%	150%
Sunday—all hours	150%	175%
Public holiday other than Good Friday and Christmas day <sup>1</sup>	100% plus an additional eight hours at ordinary time	100% plus an additional eight hours at ordinary time
Good Friday and Christmas Day	125% plus an additional eight hours at ordinary time	150% plus an additional eight hours at ordinary time

Parties are asked to comment on the application of this clause in relation to payment for work performed on public holidays. Is an employee always entitled to be paid an additional 8 hours on a public holiday (even where the employee does not work an eight hour shift) or is an employee entitled to double time for all hours actually worked on a public holiday?

**16.2** For the full NES entitlement to personal/carer's leave and compassionate leave see [ss.95–107](#) of the Act.

**16.3** Personal/carer's leave and compassionate leave are not paid on termination of employment.

## **17. Parental leave and related entitlements**

Parental leave and related entitlements are provided for in the NES. The employer and the majority of employees in an enterprise may agree to substitute another day for a public holiday.

**20.1** Notice of termination is provided for in the NES. The NES provides between one and four weeks' notice of termination based on length of service. For the full NES notice of termination entitlement see [ss.117–118](#) of the Act.

### **20.2 Notice of termination by an employee**

The notice of termination required to be given by an employee is the same as that required of an employer, except that there is no requirement for employees over 45 years old to give additional notice. If an employee fails to give the required notice, the employer may withhold any money due to the employee on termination under this award or the NES, an amount not exceeding the amount the employee would have been paid under this award in respect of the period of notice required by this clause, less any period of notice actually given by the employee.

The payment will be equal to the difference between the former ordinary time rate of pay and the ordinary time rate of pay for the number of weeks of notice still owing.

### **21.4 Employee leaving during notice period**

An employee given notice of termination in circumstances of redundancy may terminate their employment during the period of notice. The employee is entitled to receive the benefits and payments they would have received under this clause had they remained in employment until the expiry of the notice, but is not entitled to payment instead of notice.

## 21.5 Job search entitlement

- (a) An employee given notice of termination in circumstances of redundancy must be allowed up to one day's time off without loss of pay during each week of notice for the purpose of seeking other employment.
- (b) If the employee has been allowed paid leave for more than one day during the notice period for the purpose of seeking other employment, the employee must, at the request of the employer, produce proof of attendance at an interview or they will not be entitled to payment for the time absent. If such discussions do not resolve the dispute, the parties will endeavour to resolve the dispute in a timely manner by discussions between the employee or employees concerned and more senior levels of management as appropriate.
- 23.2** If a dispute about a matter arising under this award or a dispute in relation to the NES is unable to be resolved at the workplace, and all appropriate steps under clause 23.1 have been taken, a party to the dispute may refer the dispute to the Fair Work Commission.
- 23.3** The parties may agree on the process to be utilised by the Fair Work Commission including mediation, conciliation and consent arbitration.

- 23.4** Where the matter in dispute remains unresolved, the Fair Work Commission may exercise any method of dispute resolution permitted by the Act that it considers appropriate to ensure the settlement of the dispute.

- E.6.2** A trainee is entitled to be released from work without loss of continuity of employment and to payment of the appropriate wages to attend any training and assessment specified in, or associated with, the training contract.
- E.6.3** Time spent by a trainee, other than a trainee undertaking a school-based traineeship, in attending any training and assessment specified in, or associated with, the training contract is to be regarded as time worked for the employer for the purposes of calculating the trainee's wages and determining the trainee's employment conditions.

**Note:** The time to be included for the purpose of calculating the wages for part-time trainees whose approved training is fully off-the-job is determined by clause E.5.2(f)(ii) and not by this clause.
