#### 4. Award flexibility

This provision is being reviewed as a common issue

- (a) arrangements for when work is performed;
- (b) overtime rates;
- (c) penalty rates;
- (d) allowances; and

(e) leave loading.

**4.2** The employer and the individual employee must have genuinely made the agreement without coercion or duress. An agreement under this clause can only be entered into after the individual employee has commenced employment with the employer.

**4.3** The agreement between the employer and the individual employee must:

(a) be confined to a variation in the application of one or more of the terms listed in clause 4.1; and

Where the employee's understanding of written English is limited the employer must take measures, including translation into an appropriate language, to ensure the employee understands the proposal.

**4.8** The agreement may be terminated:

(a) by the employer or the individual employee giving 13 weeks' notice of termination, in writing, to the other party and the agreement ceasing to operate at the end of the notice period; or

(b) at any time, by written agreement between the employer and the individual employee.

NOTE: If any of the requirements of [s.144\(4\)](#), which are reflected in the requirements of this clause, are not met then the agreement may be terminated by either the employee or the employer, giving written notice of not more than 28 days (see [s.145](#) of the Act).

**25.4 Seven day shiftworkers**

For the purpose of the additional week of annual leave provided for in s.87(1)(b) of the Act, a **shiftworker** is a seven day shiftworker who is regularly rostered to work on Sundays and public holidays.

**25.5 Payment for annual leave**

- (a) Instead of the base rate of pay as referred to in [s.90\(1\)](#) of the Act, an employee under this award, before going on annual leave, must be paid the wages they would have received in respect of the ordinary hours the employee would have worked had the employee not been on leave during the relevant period. During a period of annual leave an employee will also receive a loading as follows:
- (i) **Day workers**
- Employees who would have worked on day work only had they not been on leave—**17.5%** loading.
- (ii) **Shiftworkers**
- Employees who would have worked on shiftwork had they not been on leave—**17.5%** loading or the shift loading, whichever is the greater but not both.
- (b) Subject to clause 25.5(c), the wages to be paid must be worked out on the basis of what the employee would have been paid under this award for working ordinary hours during the period of annual leave, including allowances, loadings and penalties paid for all purposes of the award, first aid allowance and any other wages payable under the employee’s contract of employment including any over award payment.
- (c) The employee is not entitled to payments in respect of overtime, special rates or any other payment which might have been payable to the employee as a reimbursement for expenses incurred.

NOTE: Where an employee is receiving overaward payments such that the employee’s base rate of pay is higher than the rate specified under this award, the employee is entitled to receive the higher rate while on a period of paid annual leave (see ss.16 and 90 of the Act).

**25.6 Excessive annual leave**

Notwithstanding s.88 of the Act, if the employer has genuinely tried to reach agreement with an employee as to the timing of taking annual leave, the employer can require the employee to take annual leave by giving not less than four weeks’ notice of the time when such leave is to be taken if:

- (a) at the time the direction is given, the employee has eight weeks or more of annual leave accrued; and
- (b) the amount of annual leave the employee is directed to take is less than or equal to a quarter of the amount of leave accrued.

- (a) An employer may by giving not less than four weeks' notice of their intention to do so, stand off for the duration of the close down all employees in the workplace or section or sections of the workplace. In such event the employer may allow to those who are not qualified for the full entitlement to annual leave for the total close down period paid leave up to the total amount of leave accrued as at the commencement of the close down. Such leave will be at the appropriate wage rate as prescribed in clause 25.5. The balance of the close down for which the employee does not have sufficient accrued leave to cover such period will be leave without pay.
- (b) An employee who has accrued enough leave for the close down period must be allowed the leave, and be paid at the appropriate wage rate in clause 25.5.
- (c) An employer may close down for one or two separate periods for the purpose of granting annual leave in accordance with this subclause. If the employer closes down in two separate periods one of those periods must be for a period of at least 21 consecutive days.

**D.3.2** This schedule does not apply to any existing employee who has a claim against the employer which is subject to the provisions of workers compensation legislation or any provision of this award relating to the rehabilitation of employees who are injured in the course of their employment.

### D.4 Supported wage rates

**D.4.1** Employees to whom this schedule applies will be paid the applicable percentage of the relevant minimum wage according to the following schedule:

Assessed capacity (clause D.5)	Relevant minimum wage
%	%
10	10

<b>Assessed capacity (clause D.5)</b>	<b>Relevant minimum wage</b>

60	60
70	70
80	80
90	90

**D.4.2** Provided that the minimum amount payable must be not less than \$81 per week.

**D.4.3** Where an employee’s assessed capacity is 10%, they must receive a high degree of assistance and support.

**D.5 Assessment of capacity**

**D.5.1** For the purpose of establishing the percentage of the relevant minimum wage, the productive capacity of the employee will be assessed in accordance with the Supported Wage System by an approved assessor, having consulted the employer and employee and, if the employee so desires, a union which the employee is eligible to join.

**D.5.2** All assessments made under this schedule must be documented in an SWS wage assessment agreement, and retained by the employer as a time and wages record in accordance with the Act.

**D.6 Lodgement of SWS wage assessment agreement**

**D.6.2** All SWS wage assessment agreements must be agreed and signed by the employee and employer parties to the assessment. Where a union which has an interest in the award is not a party to the assessment, the assessment will be referred by the Fair Work Commission to the union by certified mail and the agreement will take effect unless an objection is notified to the Fair Work Commission within 10 working days.

**D.7 Review of assessment**

The assessment of the applicable percentage should be subject to annual or more frequent review on the basis of a reasonable request for such a review. The process of review must be in accordance with the procedures for assessing capacity under the supported wage system.

## **D.8 Other terms and conditions of employment**

Where an assessment has been made, the applicable percentage will apply to the relevant minimum wage only. Employees covered by the provisions of this schedule will be entitled to the same terms and conditions of employment as other workers covered by this award on a pro rata basis.

## **D.9 Workplace adjustment**

An employer wishing to employ a person under the provisions of this schedule must take reasonable steps to make changes in the workplace to enhance the employee's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation in consultation with other workers in the area.

## **D.10 Trial period**

**D.10.1** In order for an adequate assessment of the employee's capacity to be made, an employer may employ a person under the provisions of this schedule for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding four weeks) may be needed.

**D.10.2** During that trial period the assessment of capacity will be undertaken and the percentage of the relevant minimum wage for a continuing employment relationship will be determined.
