

**Fair Work Commission**  
**Four Yearly Review of Modern Awards**  
***Health Professional and Support Services Award***  
**Matter No: AM2016/31**

**FURTHER STATEMENT OF ALEX LESZCZYNSKI**

1. I am a Senior Industrial Officer with the Health Services Union Victoria No. 3 Branch, also known as the Victorian Allied Health Professionals Association (VAHPA).
2. As part of my role I deal with workplaces which employ dental prosthetists, dental therapists and dentists. The union has members across these three professions.
3. The union has dental prosthetist members in public health services (mainly Dental Health Services Victoria) and stand alone community health centres, which are covered by the *Health Professional and Support Services Award 2010* ('HPSS Award') and which are the subject of enterprise bargaining under the *Fair Work Act 2009* (Cth) for enterprise agreements to regulate the terms and conditions of employees in those workplaces.
4. VAHPA has been involved in negotiations for enterprise agreements covering dental prosthetists in public health services and stand alone community health centres, including:
  - a. *Allied Health Professionals (Victorian Public Health Sector) Single Interest Enterprise Agreement 2016-2020 (attached as AL-1)*; and
  - b. *Victorian Stand Alone Community Health Centres Allied Health Professionals Enterprise Agreement 2017 – 2021 (attached as AL-2)*.
5. I attach the Form F17 for the *Allied Health Professionals (Victorian Public Health Sector) Single Interest Enterprise Agreement 2016-2020* completed by the Victorian Hospital Industry Association ('VHIA') (**AL-3**), the registered organisation that represent the interests of their members in public health services. On page 20 of the Form F17, it can be seen that the VHIA have translated Dental Prosthetists to Health Professional Level 1 or 2 of the HPSS Award.
6. In bargaining for the *Allied Health Professionals (Victorian Public Health Sector) Single Interest Enterprise Agreement 2016-2020* the classification descriptor for dental prosthetist was updated to make reference to registration under the National Registration and Accreditation Scheme with the Dental Board of Australia, similar to the updating that occurred for other relevant Health Professionals in the enterprise agreement, such as referencing registration under the National Registration and Accreditation Scheme with the Physiotherapy Board for Physiotherapists.
7. The enterprise agreements above do not cover dentists, but it is my understanding from dealing with the industry that the Australian Dental Association in Victoria engaged the Association of Professional Engineers, Scientists and Managers

Australia (APESMA), known as Professionals Australia, to negotiate enterprise agreements for dentists at stand alone community health centres a few years ago.

8. I am aware that the Dental Hygienists Association of Australia Ltd as part of their submissions in the matter before the Commission have claimed that since pharmacists working in community pharmacies have been covered by the *Pharmacy Industry Award 2010*, this has had a negative impact on these pharmacists rates of pay.
9. My first union position was with APESMA from September 2001 to October 2004. APESMA covers pharmacists working in community pharmacies. It was the view and position of APESMA and its officers between September 2001 and October 2004 that pharmacists working in community pharmacies were poorly paid by comparison with most other professionals APESMA covered. Officers in APESMA worked on improving those rates of pay for their members throughout the period I was employed with APESMA.

### 13.3 Consultation Steps and Timeframes

- (c) The following table makes clear the relevant steps and indicative timeframes for the Consultation process.

Step	Action	Timeframe
1.	Employer provides Change Impact Statement and other written material required by subclause 13.4	
2.	Written response from Employee/s and/or Union	14 days after step 1

4.	Further Employer response (where relevant)	After the conclusion of step 3
5.	Alternative proposal from Employee/s or Union	14 days after step 4
6.	Employer to consider alternative proposal/s consistent with the obligation to consult and, if applicable, to arrange further meetings with Employee/s or Union prior to advising outcome of Consultation	14 days after step 5

#### **13.4 Change Impact Statement (Step 1)**

Prior to Consultation required by this clause 13, the Employer will provide Affected Employee/s and Union with a written Change Impact Statement setting out all relevant information including:

Following receipt of the change impact statement, Affected Employee/s and/or the Union may respond in writing to any matter arising from the proposed change.

#### **13.6 Meetings (step 3)**

- (a) As part of Consultation, the Employer will meet with the Affected Employee/s, the Union and other nominated representative/s (if any) to discuss:
  - (i) the proposed change;
  - (ii) proposals to mitigate or avert the impact of the proposed change; and
  - (iii) any matter identified in the written response from the Affected Employee/s and/or the Union.
- (b) To avoid doubt, the 'first meeting' at step 3 does not limit the number of meetings for Consultation.

#### **13.7 Employer response (step 4)**

The Employer will give prompt and genuine consideration to matters arising from Consultation and will provide a written response to the Affected Employee/s, Union and (where relevant) other representative/s.

**13.8 Alternative proposal (step 5)**

The Affected Employee/s, the Union and other representative (where relevant) may submit alternative proposal/s which will take into account the intended objective and benefits of the proposal. Alternative proposals should be submitted in a timely manner so that unreasonable delay may be avoided.

- (b) any amendment to the change proposal arising from Consultation;
- (c) details of any measures to mitigate or avert the effect of the changes on Affected Employee/s; and

- (d) These provisions are to be read in conjunction with the terms of the engagement between the Employer and Employee, other Agreement provisions concerning the scheduling of work and notice requirements.

#### **13.11 Consultation disputes**

Any dispute regarding the obligations under this clause 13 will be dealt with under the Dispute Resolution Procedure at clause 14 of this Agreement.

## **14. Dispute Resolution Procedure**

### **14.1 Resolution of disputes and grievances**

- (b) This dispute resolution procedure will apply to any dispute arising in relation to:
  - (i) this Agreement;
  - (ii) the NES;
  - (iii) a request for an additional 12 months parental leave; or
  - (iv) a request for flexible working arrangements.
- (c) A party to the dispute may choose to be represented at any stage by a representative including a Union or employer organisation. A representative, including a Union or employer organisation on behalf of an Employer, may initiate a dispute.

### **14.2 Obligations**

- (a) The parties to the dispute and their representatives must genuinely attempt to resolve the dispute through the processes set out in this clause 14 and must cooperate to ensure that these processes are carried out expeditiously.
- (b) While the dispute resolution procedure is being conducted work will continue normally according to the usual practice that existed before the dispute, until the dispute is resolved.
- (c) This requirement does not apply where an Employee:
  - (i) has a reasonable concern about an imminent risk to their health or safety;
  - (ii) has advised the Employer of the concern; and
  - (iii) has not unreasonably failed to comply with a direction by the Employer to perform other available work that is safe and appropriate for the Employee to perform.
- (d) No party to a dispute or person covered by the Agreement will be prejudiced with respect to the resolution of the dispute by continuing work under this subclause 14.2.

### **14.3 Dispute settlement facilitation**

- (a) Where the chosen representative is another Employee of the Employer, that Employee will be released by the Employer from normal duties as is reasonably necessary to enable them to represent the Employee/s including:
  - (i) investigating the circumstances of the dispute; and
  - (ii) participating in the processes to resolve the dispute, including conciliation and arbitration.
- (b) An Employee who is part of the dispute will be released by the Employer from normal duties as is reasonably necessary to enable them to participate in this dispute settling procedure so long as it does not unduly affect the operations of the Employer.

### **14.4 Discussion of dispute at workplace**

- (a) The parties will attempt to resolve the dispute at the workplace as follows:
  - (i) in the first instance by discussions between the Employee/s and the relevant supervisor; and
  - (ii) if the dispute is still unresolved, by discussions between the Employee/s and more senior levels of local management.

- (c) If a dispute cannot be resolved at the workplace it may be referred by a party to the dispute or representative to the Commission for conciliation and, if the matter in dispute remains unresolved, arbitration.

### **14.5 Disputes of a collective character**

Disputes of a collective character may be dealt with more expeditiously by an early reference to the Commission. However, no dispute of a collective character may be referred to the Commission directly without a genuine attempt to resolve the dispute at the workplace level.

### **14.6 Conciliation**

- (a) Where a dispute is referred for conciliation, the Commission member will do everything the member deems right and proper to assist the parties to settle the dispute.
- (b) Conciliation before the Commission is complete when:
  - (i) the parties to the dispute agree that it is settled;
  - (ii) the Commission member conducting the conciliation, either on their own motion or after an application by a party, is satisfied there is no likelihood that further conciliation will result in settlement within a reasonable period; or
  - (iii) the parties to the dispute inform the Commission member there is no likelihood the dispute will be settled and the member does

not have a substantial reason to refuse to regard conciliation as complete.

#### **14.7 Arbitration**

- (a) If, when conciliation is complete, the dispute is not settled, either party may request the Commission proceed to determine the dispute by arbitration.
- (b) The Commission member that conciliated the dispute will not arbitrate the dispute if a party objects to the member doing so.

#### **14.8 Conduct of matters before the Commission**

Subject to any agreement between the parties to the dispute in relation to a particular dispute or grievance and the provisions of this clause 14, in dealing with a dispute or grievance through conciliation or arbitration, the Commission will conduct the matter in accordance with sections 577, 578 and Subdivision B of Division 3 of Part 5-1 of the Act.

## **15. Performance Management**

#### **15.1 Application of this clause**

- (a) Where an Employer wishes to deal with performance issues of an Employee, they will be dealt with in accordance with this clause 15.
- (b) Where an Employer has concerns about a performance issue that may constitute misconduct, they will be dealt with in accordance with clause 16 (Discipline). Where this occurs, the performance management process in subclauses 15.3(c), (d) and (e) will still apply where appropriate.

#### **15.2 Informal**

Where the Employer has concerns about an Employee's performance, the Employer will, wherever appropriate, deal with these concerns through informal discussions with the Employee when these concerns first arise. The Employer will clearly outline the concerns. The Employee will be given a reasonable opportunity to address the performance concerns.

#### **15.3 Formal**

- (a) Where the Employee's work performance is not at an acceptable standard following the process in subclause 15.2 or it was not appropriate to deal with the concerns informally, the Employer may initiate a formal performance management process.
- (b) The Employer will provide to the Employee in writing:

- (i) details of the performance concerns including, where relevant, material that supports those concerns; and
  - (ii) notice of the Employee's right to be represented by a Union or other representative.

  - (iv) if a performance management plan is proposed, consult with the Employee and the Employee's representative on the content of the plan.
- (d) Where, having considered the Employee's response, the Employer reasonably believes, based on the Employee's performance, that a performance management plan is appropriate, the Employer will:
- (i) provide the performance management plan to the Employee in writing following the consultation referred to at subclause 15.3(c)(iv) above, identifying which aspects of the Employee's performance are unsatisfactory and the required level of performance which must be reasonable; and
  - (ii) provide the Employee with a reasonable opportunity to address any concerns over a reasonable time.
- (e) The Employer will provide ongoing feedback on the Employee's performance during this period, including if the Employee's performance is not improving to a satisfactory standard, and will provide the Employee with all reasonable support, counselling and training.

## 16. Discipline

### 16.1 Application

- (a) Where an Employer has concerns about:
- (i) the Conduct of an Employee; or
  - (ii) a Performance issue that may constitute misconduct,
- the following procedure will apply.
- (b) There are two steps in a disciplinary process under this clause 16 as follows:
- (i) investigative procedure; and
  - (ii) disciplinary procedure.

- (c) An Employee will be provided a reasonable opportunity to be represented at any time (including by a Union) with respect to all matters set out in this clause 16.

## 16.2 Definitions

- (a) **Performance** means the manner in which the Employee fulfils their job requirements. The level of performance is determined by an Employee's knowledge, skills, qualifications, abilities and the requirements of the role.
- (b) **Conduct** means the manner in which the Employee behaviour impacts on work.
- (c) **Misconduct** means an Employee's intentional or negligent failure to abide by or adhere to the standards of conduct reasonably expected by the Employer. A performance issue can be considered misconduct where, despite all reasonably practicable interventions by the Employer, the Employee is unable to fulfil all or part of their job requirements to a satisfactory level.
- (d) **Serious misconduct** is as defined under the Act and that is both wilful and deliberate. Currently the Act defines serious misconduct, in part, as:
- (i) wilful or deliberate behaviour by an Employee that is inconsistent with the continuation of the contract of employment;
  - (ii) conduct that causes serious and imminent risk to:
    - A. the health or safety of a person; or
    - B. the reputation, viability or profitability of the Employer's business.

Conduct that is serious misconduct includes each of the following:

- (iii) the Employee, in the course of the Employee's employment, engaging in:
  - A. theft; or
  - B. fraud; or
  - C. assault;
- (iv) the Employee being intoxicated at work;
- (v) the Employee refusing to carry out a lawful and reasonable instruction that is consistent with the Employee's contract of employment.

Subclauses 16.2(d)(iii) to 16.2(d)(v) do not apply if the Employee is able to show that, in the circumstances, the conduct engaged in by the Employee was not conduct that made employment in the period of notice unreasonable.

## 16.3 Investigative procedure

- (a) The purpose of an investigative procedure is to conclude whether, on balance, concerns regarding Conduct or Performance are well-founded and

supported by evidence. An investigation procedure must be fair including proper regard to procedural fairness.

- (b) The Employer will:
  - (i) advise the Employee of the concerns and allegations in writing;
  - (ii) provide the Employee with any material which forms the basis of the concerns;
  - (iii) ensure the Employee is provided a reasonable opportunity to answer any concerns including a reasonable time to respond;
  - (iv) advise the Employee of their right to have a representative, including a Union representative;
  - (v) ensure that the reason for any interview is explained; and
  - (vi) take reasonable steps to investigate the Employee's response.

#### **16.4 Disciplinary procedure**

- (a) The disciplinary procedure applies if, following the investigation, the Employer reasonably considers that the Employee's Conduct or Performance may warrant disciplinary steps being taken.
- (b) The Employer will:
  - (i) notify the Employee in writing of the outcome of the investigation process, including the basis of any conclusion; and
  - (ii) meet with the Employee.
- (c) In considering whether to take disciplinary action, the Employer will consider:
  - (i) whether there is a valid reason related to the Conduct or Performance of the Employee arising from the investigation justifying disciplinary action;
  - (ii) whether the Employee knew or ought to have known that the Conduct or Performance was below acceptable standards; and
  - (iii) any explanation by the Employee relating to Conduct including any matters raised in mitigation.

#### **16.5 Possible outcomes**

- (a) Where it is determined after following the procedures in this clause 16 that disciplinary action is warranted, the Employer may take any of the following steps depending on the seriousness of the Conduct or Performance:
  - (i) counsel the Employee, with the counselling recorded on the Employee's personnel file;
  - (ii) give the Employee a first warning, which will be verbal with a record of the warning recorded on the Employee's personnel file;
  - (iii) give the Employee a second written warning in the event that the Employee has previously been given a first warning within the previous 12 months for that course of conduct;

- (iv) give the Employee a final written warning in the event that the Employee has previously been given a second written warning within the preceding 18 month period for that course of conduct;
  - (v) terminate the Employee's employment on notice in the case of an Employee who repeats a course of conduct for which a final warning was given in the preceding 18 months;
  - (vi) terminate the Employee's employment without notice where the conduct is serious misconduct within the meaning of the Act that is wilful and deliberate; or
  - (vii) as an alternative to subclause 16.5(a)(vi) above and in those circumstances, the Employer may issue the Employee with a final warning without following the steps in subclauses 16.5(a)(i) to 16.5(a)(vi) above.
- (b) The Employer's decision and a summary of its reasons will be notified to the Employee in writing.
  - (c) If after any warning, a period of 12 or 18 months elapses (as relevant) without any further warning being required, all adverse reports relating to the warning must be removed from the Employee's personnel file.

#### **16.6 Discipline disputes**

A dispute over the clause 16 is to be dealt with in accordance with the Dispute Resolution Procedure of this Agreement.

### **18. Full-Time Employment**

An Employee who is required by the Employer to work full-time and is ready, willing and available to work the full number of hours as required by the Employer, will be paid the full weekly wage as prescribed by the Agreement irrespective of the number of hours worked not exceeding 38. Clause 47 (Hours of Work) and clause 48 (Accrued Days Off) also deal with the manner in which a full-time Employee works their hours.

### **19. Part-Time Employment**

**19.1** A part-time Employee is an Employee who:

- (a) works less than full-time hours of 38 per week (or less than 76 hours in a fortnight) and;
- (b) has reasonably predictable hours of work.

**19.2 Minimum Engagement**

The minimum period of engagement of a part-time Employee is three (3) hours.

**19.3 Pattern of work**

- (a) At the time a part-time Employee commences employment, the Employer and the part-time Employee will agree in writing on the following matters:
  - (i) a regular pattern of work, specifying at least the hours worked each day;
  - (ii) which days of the week the Employee will work; and
  - (iii) the actual starting and finishing times each day.
- (b) Any agreed variation to the regular pattern of work will be recorded in writing.

#### **19.4 Additional hours**

A part time Employee may be offered additional hours at the applicable ordinary time rates for the time worked, within the limits prescribed by this Agreement. A part-time Employee is entitled to decline an offer of additional ordinary hours. Where a part-time Employee is directed by the Employer to work reasonable additional hours, or works hours in excess of 38 in a week, an average of 38 hours a week or the limits prescribed by the Agreement, overtime rates will apply.

#### **19.5 Entitlements**

The terms of this Agreement apply to part-time Employees (except where a clause explicitly states that it does not apply to part-time Employees), on the basis that the ordinary weekly hours for full-time Employees are 38, including:

## **20. Casual Employment**

- 20.1** A casual Employee is one who is engaged in relieving work or work of a casual nature and whose engagement is terminable by the Employer in accordance with the Employer's requirements, without the requirement of prior notice by either the Employer or the Employee, but does not include an Employee who could properly be classified under clause 18- Full-time employment, clause 19 - Part-time employment or clause 22 - Fixed term employment. The minimum period of engagement of a casual Employee is three (3) hours.
- 20.2** A casual Employee will be paid for all work done on weekdays an amount equal to 1/38th of the weekly wage appropriate to the Employee's classification per hour plus 25% and for all work done on Saturday, Sundays and public holidays an amount equal to 1/38th of the weekly wage appropriate to the Employee's classification per hour plus 75%.
- 20.3** In addition a casual Employee will be entitled to receive the appropriate uniform and other allowances contained in this Agreement.
- 20.4** The provisions of clause 24 (Termination of Employment), clause 59 (Annual Leave), clause 62 (Personal/Carer's Leave) except in so far as it expressly applies to casual Employees, and clause 72 (Long Service Leave), will not apply in the case of a casual Employee.
- 20.5** The list in subclause 20.4 is not intended to be exhaustive and relevant clauses should be referred to to determine any casual entitlement.

## 21. Casual Conversion

- 21.1** Where a casual Employee has worked shifts on a regular and systematic basis over a period of 26 weeks or more, the Employer and the Employee recognise that the Employee may be more properly classified as part-time or full-time.
- 21.2** An Employee will not be considered to be rostered on a regular and systematic basis where the shifts the Employee has been working are replacing an Employee on an absence (including but not limited to parental leave, long service leave, workers compensation leave and personal leave) or a flexible work arrangement.
- 21.3** Either the Employer or the Employee may request in writing the conversion of the Employee to full-time or part-time employment (whichever is applicable) and such a request will not be unreasonably refused by either party.
- 21.4** A written response will be provided no later than 21 days from the date of a request (by either an Employee or Employer). Where the request is refused, the written response will include reasons for the refusal. Where the Employer makes the request under subclause 21.3, at the time of making the request the Employer will also notify the Employee in writing of their obligations under this subclause 21.4.
- 21.5** Where an Employee converts from casual to full or part-time employment, the Employee's minimum weekly hours will be those worked on a regular and systematic basis as described in subclauses 21.1 and 21.2 above, and the provisions of clause 18 Full-time Employment or 19 Part-time Employment (whichever is relevant) will apply.
- 21.6** Where such a conversion occurs, the Employee will be provided with a Letter of Appointment setting out the revised employment arrangements, including any period/s of casual employment with the Employer.

## 22. Fixed Term Employment

- 22.1** An Employee may only be employed on a fixed term basis where it is genuine fixed term employment as defined in subclauses 22.2 and 22.3.
- 22.2** **Genuine fixed term employment** is:
- (a) where the role is for a specific period or purpose and for one of the reasons set out at subclause 22.3; and
  - (b) is not where recurrent funding for the role may end or for a reason other than one specified at subclause 22.3 below.
- 22.3** Genuine fixed term employment can only be offered for the following purposes:
- (a) research projects which, for the purpose of this clause 22 means:
    - (i) there is a definable work activity which has a starting time and which is expected to be completed within an anticipated timeframe;

- (ii) the funding for the research project does not come from recurrent funding; and
  - (iii) there is no pattern of additional funding being provided or made available to extend the research project;
- (b) special projects. Indicative examples of special projects are:
  - (i) Specific, Timely Assessment and Triage project (the STAT project), a NHMRC funded project looking at reducing waiting times;

- (d) graduate year positions;
- (e) replacing other Employees who are absent:
  - (i) on leave (including parental, long service or sick leave);
  - (ii) on WorkCover; or
  - (iii) by a flexible work arrangement;
- (f) any other genuine fixed term arrangement agreed to by the Union at its discretion.

**22.4** Nothing in this clause 22 requires an Employer to use fixed term employment for the purposes listed in subclause 22.3.

**22.5 Appointment**

In the letter of offer, the Employer will advise the Employee in writing of the reason the role is genuine fixed term employment, the duration of the fixed term and the rights of an incumbent Employee (if relevant).

**22.6 Duration of a fixed term contract**

A contract for genuine fixed term employment cannot be for a period greater than 2 years unless otherwise agreed to by the Union at its discretion.

**22.7 Further contract where role continues**

Where the role that is subject to the genuine fixed term employment will continue beyond the end of the contract, the Employer may offer to extend the fixed term employment for that role by a further contract where it:

- (a) is still genuine fixed term employment as described at subclause 22.2 and is appropriate in all the circumstances;
- (b) is still for a purpose listed at subclause 22.3; and

- (c) does not exceed two years or, when any preceding contract is also taken into account, does not result in the appointment exceeding 5 years in total as described at subclause 22.11(a)(ii).

*Example 1*

An Employee is engaged on a fixed term basis of 12 months as a parental leave replacement. Just prior to the end of the 12 month period, the incumbent Employee resigns. That is, the Employee on a fixed term contract is no longer replacing another Employee. Under these circumstances, the Employee engaged on a fixed term basis will not have the fixed term extended for a further period other than on a short term basis to allow the Employer to recruit to the role.

*Example 2*

An Employee is engaged on a fixed term basis of 2 years as a parental leave replacement. The incumbent applies for a further period of parental leave for another child. Under these circumstances, the Employer may offer to extend the fixed term appointment by a further contract.

- 22.8** Where an Employer proposes to offer an additional contract to extend employment in a role in accordance with subclause 22.7 which, if accepted, would result in an Employee being engaged in that role on a fixed term basis for more than 2 years in total, the Employer will, not less than one (1) month prior to the scheduled expiration of the fixed term contract, write to the Employee stating:
- (a) that the role will continue beyond the fixed term and the Employer proposes to extend the fixed term appointment by offering a further contract;
  - (b) the period of the proposed further contract;
  - (c) why the Employer considers the further fixed term appointment is genuine fixed term employment (within the meaning of this clause 22) and is appropriate in all the circumstances;
  - (d) that:
    - (i) the Employee is entitled to discuss the offer of a further contract with their representative which may be the Union; and
    - (ii) the Union covered by this Agreement will be notified of the proposed extension of the fixed term appointment but that personal information will not be disclosed; and
  - (e) that if the Employee or their representative (including the Union) disputes that the proposed contract is for genuine fixed term employment, either is entitled to notify a dispute under clause 14 (Dispute Resolution Procedure) of this Agreement.
- 22.9** Where an Employer proposes to offer an additional contract to extend employment in a role in accordance with subclause 22.7 which, if accepted, would result in an Employee being engaged in that role on a fixed term basis for more than 2 years in total, the Employer will , not less than one (1) month prior

to the scheduled expiration of the fixed term, the Employer will write to the Union stating:

- (a) the information described at subclause 22.8(a), (b) and (c); and
- (b) the classification, grade and Department/area of the genuine fixed term employment and the length of the fixed term appointment in total;

but will not disclose the personal information of the Employee without the Employee's consent.

**22.10** Where the Employer proposes a further contract to extend a fixed term employment in accordance with subclause 22.7 the Employer will, where requested by the Employee or the Union, meet to discuss the proposed extension of the fixed term employment by a further contract and provide the Employee and/or the Union with any relevant information relating to why the proposed extended fixed term employment is genuine fixed term employment.

**22.11 Conversion to permanent employment**

- (a) If:
  - (i) the period of fixed term contract exceeds two years, unless otherwise agreed to by the Union in accordance with subclause 22.6;
  - (ii) an Employee's total period of fixed term employment (where there has been more than one fixed term contract) exceeds 5 years;
  - (iii) the Employee engaged pursuant to this clause 22 is re-engaged within thirteen weeks (including the total period of accrued annual leave paid on termination);
  - (iv) in engaging a fixed term Employee or extending the fixed term engagement the Employer does not comply with this clause 22 or, in the case of the timeframes at subclauses 22.8 and 22.9, does not substantially comply with those timeframes; or
  - (v) the Employer has employed the Employee on more than 5 fixed term contracts;

the Employee will be deemed to have been originally employed under clause 18 - Full-time employment, or clause 19 - Part-time employment.

- (b) For the purpose of this subclause 22.11, **does not substantially comply** means that the Employer's failure to adhere to the prescribed timeframes is such that either or both the Employee and the Union cannot:
  - (i) give proper consideration to;
  - (ii) consult with the other on; and
  - (iii) seek advice on;

the proposed extension of fixed term employment and be satisfied that the fixed term employment offered is genuine fixed term employment within the meaning of this Agreement.

#### **22.12 Separate fixed term positions**

## **26. Ending Employment During Parental Leave**

### **26.1 Communication during parental leave – organisational change**

#### **(a) Organisational Change - consultation**

Where an Eligible Employee (as defined in subclause 70.2) is on parental leave and the Employer proposes a change that will have a Significant Effect within the meaning of clause 13 (Consultation) of this Agreement on the Eligible Employee, including their pre-parental leave position, the Employer will comply with the requirements of clause 13 (Consultation) which include but are not limited to providing:

- (i) information in accordance with subclause 13.4; and
- (ii) an opportunity for discussions with the Eligible Employee and, where relevant, the Eligible Employee's representative in accordance with subclause 13.6.

Where the organisational change may result in the Eligible Employee's position being made redundant, the provisions in subclause 26.2 will also apply.

#### **(b) Other significant matters**

The Eligible Employee will endeavour to take reasonable steps as soon as practicable to inform the Employer about any significant matter that arises whilst the Eligible Employee is on parental leave that will affect the Eligible Employee's decision regarding:

- (i) the duration of parental leave to be taken;
- (ii) whether the Eligible Employee intends to return to work; and
- (iii) whether the Eligible Employee intends to request to return to work on a part-time basis.

#### **(c) Change of address**

The Eligible Employee will also notify the Employer of changes of address or other contact details which might affect the Employer's capacity to comply with subclause 26.1.

### **26.2 Redundancy – proposed termination of Employment**

#### **(a) Employer to write to Employee**

Where, following the consultation in clause 13, an Eligible Employee is on parental leave when the Eligible Employee's role is declared redundant, the Employer will inform the Eligible Employee in writing of the following:

- (i) that the Eligible Employee is entitled to return to an available position for which the Eligible Employee is qualified and suited nearest in status and pay to the pre-parental leave position;
- (ii) any available position/s for which the Employer believes the Eligible Employee may be qualified and suited, including those nearest in status and pay to the pre-parental leave position; and
- (iii) In the event that:
  - A. the available position for which the Employee is qualified and suited nearest in status and pay to the pre-parental leave position is not a Comparable Role within the meaning of subclause 25.2(b); or
  - B. there is no available position as described at subclause 26.2(a)(iii)A;
 the Eligible Employee may:
  - (1) continue the employment by electing to defer the commencement of the redeployment period in subclause 25.3 for the period of parental leave, including any extension agreed under subclause 70.12 (although nothing in this clause 26 stops a Comparable Role from being identified during parental leave, before the redeployment period); or
  - (2) consent to the termination of employment when the position is made redundant and receive the redundancy entitlements in accordance with subclause 25.8;
- (iv) in the event that the Eligible Employee is informed by the Employer of a Comparable Role, the consequences under subclause 25.3(d)(Rejecting a Comparable Role) of not accepting a Comparable Role; and
- (v) that the Eligible Employee is entitled to a representative which may be a Union representative.

**(b) Eligible Employee to advise Employer in writing**

- (i) The Eligible Employee will advise the Employer in writing whether:
  - A. the Eligible Employee consents to the proposed termination of employment during the period of parental leave due to redundancy;
  - B. where applicable, the Eligible Employee accepts redeployment into the available position for which the Eligible Employee is qualified and suited nearest in status and pay to the pre-parental leave position; or
  - C. the Eligible Employee elects to defer the commencement of

the redeployment period in subclause 25.3 (Redeployment) for the duration of parental leave;

within fourteen (14) days of receiving the Employer's written advice outlined at subclause 26.2(a) or if that is not practicable, as soon as practicable.

- (ii) The Employee will not be in breach of subclause 26.2(b)(i) if a failure to respond is reasonable in the circumstances.
- (iii) At any time during the parental leave the Eligible Employee may advise the Employer in writing that they consent to the proposed termination of employment during the period of parental leave due to redundancy.

**(c) Eligible Employee elects to remain employed**

Where the Eligible Employee does not consent to the proposed termination of employment during the period of parental leave due to redundancy, the parties (or representatives, which may be the Union) will discuss and agree how the Employer will communicate with the Employee during parental leave to maximise the likelihood of the Employee being offered a Comparable Role.

**(d) Comparable Role does not affect length of parental leave**

Where a Comparable Role or other position is accepted by the Employee the Employer will redeploy them to that role or position. In such a circumstance, the Employer will not require the Eligible Employee to vary the length of the parental leave and the Employee's right to request an extension to parental leave under subclause 70.12 is not affected.

*Example:*

An Eligible Employee's role is made redundant six months through a 12-month period of parental leave. The Eligible Employee elects to defer the commencement of the redeployment period. A Comparable Role is accepted by the Eligible Employee. The Eligible Employee is entitled to return to the Comparable Role at the end of the 12-month parental leave period or a longer or shorter period as agreed. The Employer may fill the Comparable role on a temporary basis (such as fixed term) until the end of the Eligible Employee's parental leave.

**(e) No Comparable Role by the end of parental leave**

- (i) Where the Eligible Employee has not accepted a Comparable Role or other position before the conclusion of parental leave:
  - A. the Employer will advise the Eligible Employee in writing of any available positions for which the Employee is qualified and suited, including those nearest in status and pay to the pre-parental leave position even if it is not a Comparable Role; and
  - B. the Employer will state whether, in its view, the available

position is a Comparable Role.

- (ii) Where the Eligible Employee does not wish to exercise the right to return to the available position, the Eligible Employee may elect to commence the redeployment period in clause 25.3 or terminate the employment on the basis of redundancy.

**(f) Calculation of payments**

- (i) Where an Eligible Employee's employment is terminated, in accordance with this clause 26, prior to returning to work from parental leave, any severance pay (including notice) and any other amount owing to the Employee will be based on the higher of:

A. the position the Eligible Employee held immediately before proceeding on parental leave; or

B. in the case of an Eligible Employee who transferred to a safe job pursuant to subclause 70.14, the position they held immediately before such transfer;

calculated at the hourly rate at the time the termination takes effect.

*Example:*

An Eligible Employee works 30 hours a week (Job A) prior to transferring to a safe job which is at a lower pay rate and is for only 25 hours a week (Job B). A wage increase occurs during the parental leave. Redundancy is calculated on the basis of Job A's rate of pay as increased during the period of parental leave and its greater number of hours per week.

- (ii) In the event that the Eligible Employee consents to the termination of employment due to redundancy during paid parental leave, the Eligible Employee will receive the full amount of paid parental leave and superannuation under subclauses 70.5 and 30.5.

**(g) Resignation does not affect redundancy payment**

Resignation by the Eligible Employee prior to returning to work does not affect the Employee's entitlement to a redundancy payment under subclause 25.8.

**(h) Redeployment period**

Where an Eligible Employee's role is made redundant during parental leave, and:

- (i) the Employee has not consented to the proposed termination of their employment during the period of parental leave due to redundancy; and/or

- (ii) the Eligible Employee has not accepted a Comparable Role or an available position for which the Eligible Employee is qualified and suited nearest in status and pay to the pre-parental leave position;

the redeployment period of 13 weeks in subclause 25.3 commences on the day after the Employee's parental leave ends.

## 27. Transition to Retirement

- 27.1** Employees may advise their Employer in writing of their intention to retire within the next five years from their Employer and may participate in a transition to retirement arrangement.
- 27.2** Transition to retirement arrangements may be proposed and, where agreed, implemented through:
- (a) a flexible working arrangement (see clause 96);
  - (b) an individual flexibility agreement (see clause 12);
  - (c) an agreement in writing between the parties; or
  - (d) any combination of the above.
- 27.3** A transition to retirement arrangement may include but is not limited to:
- (a) a reduction of working hours, i.e. part time employment;
  - (b) a job share arrangement; and/or
  - (c) working in a position at a lower status or rate of pay.
- 27.4** The Employer will consider, and not unreasonably withhold its approval of a request by an Employee to transition to retirement through:
- (a) using accrued Long Service Leave (**LSL**) or Annual Leave for the purpose of reducing the number of days worked or their working hours but retaining their previous employment status.

*Example:*

1. A full-time Employee may work 3 days per week and have 2 days of accrued long service leave per week, retaining their full-time status.
2. A part-time Employee employed for 24 hours per week may work 20 hours per week and take 4 hours of accrued annual leave per week, retaining their status as a part-time Employee employed for 24 hours per week.

or;

- (b) accepting appointment to a role that has a lower hourly rate of pay and/or reduced hours (**post transition role**), in which case:
  - (i) the Employee will retain the accrual of LSL they had immediately prior to the reduction in their rate of pay and/or hours (**preserved**

**LSL).** Where LSL is taken, the Employee will be paid LSL hours at the wage rate and/or their hours of work prior to the post transition role until the preserved LSL hours are exhausted;

*Examples:*

1. An Employee's hourly rate of pay is reduced under this subclause 27.4(b) from \$35 to \$30. When the Employee takes LSL it will be paid at the rate of \$35 per hour until the preserved LSL is exhausted.
2. An Employee's hours of work are reduced under this subclause 27.4(b) from 32 hours per week to 24 hours per week. When the Employee takes LSL they will be paid for 32 hours of LSL per week until the preserved LSL is exhausted.
3. An Employee's hourly rate of pay is reduced under this subclause 27.4(b) from \$40 to \$35 and their hours of work from 38 to 30 hours per week. When the Employee takes LSL it will be paid at the rate of \$40 per hour and they will be paid for 38 hours of LSL per week until the preserved LSL is exhausted.

- (ii) however, if the Employee's hourly wage rate in the post-transition role over time exceeds the wage rate of the pre-transition role, the higher wage rate will be used to calculate LSL.

- 39.3 Exception – two contracted positions**
- The change of shift allowance is not payable where an Employee holds two contemporaneous, contracted, different positions with the same Employer and moving between those positions results in a change of shift pattern that would ordinarily invoke a change of shift allowance payment.
- 39.4 Exceptions – Employee requests change and 2 weeks off duty**
- The change of shift allowance is not payable where:
- (a) the Employee requests a change to the roster which creates a change of shift as described in subclause 39.1; or

in accordance with this Agreement.

#### *Example 1:*

An Employee works from 9am to 5pm at work site A. Just before 5pm the Employee is directed to travel to site B to perform overtime until 7pm and such a direction is reasonable. The Employee arrives at site B at 5:30pm to commence work. The Employee will be entitled to payment at the applicable overtime rates for 30 minutes of travel.

#### *Example 2:*

An Employee is required to work at a location that requires an overnight stay and will be paid the working away from home allowance. The Employee travels to the location during the Employee's ordinary hours. The time spent travelling is paid at ordinary rates.

## 43. Working Away From Home

- 43.1 For each night an Employee is required by the Employer to be absent overnight from their usual place of residence, for example where an Employee cannot

reasonably travel from or back to their usual place of residence on the day on which they are required to work by the Employer, the Employer will:

When such Employee's uniforms or coats are not laundered by or at the expense of the Employer, the Employee will be paid a laundry allowance at the daily or weekly rate set out in **Appendix 3** (whichever is the lesser amount in total).

## **45. Damaged Clothing Allowance**

- 45.1** Where an Employee, in the course of their employment, suffers any damage to or soiling of clothing or other personal effects, (excluding female hosiery), the Employer will be liable for the replacement, repair or cleaning of such clothing or personal effects provided immediate notification is given of such damage or soiling.

### 47. Hours of Work

- 47.1** The hours for an ordinary week's work will be:
- (a) 38;
  - (b) an average of 38 per week in a two or four week period; or
  - (c) by mutual agreement an average of 38 per week in a five week period in the case of an Employee working ten hour shifts.
- 47.2** The hours for an ordinary week's work will be worked either:
- (a) subject to clause 48 (Accrued Days Off), in 152 hours per four week period worked as nineteen shifts each of eight hours; or
  - (b) by mutual agreement:
    - (i) in four days in shifts of not more than ten hours each; or
    - (ii) otherwise, provided that the length of any ordinary shift will not exceed ten hours.
- 47.3** Subject to the roster provisions, 80 hours may be worked in any two consecutive weeks, but not more than 50 ordinary hours may be worked in any one such week.
- 47.4** For all purposes the hourly rate is deemed to be the weekly rate prescribed by clause 28 (Wages and Wage Increases) and set out in Appendix 2 divided by 38. See subclause 48.1 for how this operates where an averaging system is used.
- 47.5** A paid leave day will be identical to a worked day. Nothing in this subclause 47.5 prevents an Employee from cashing out annual leave in accordance with subclause 60.4 (Part-time Employees – cashing out of annual leave where contracted EFT fraction has reduced).
- 47.6** Employees will be rostered so as to provide for four (4) days free from ordinary duty per fortnight including not less than two (2) consecutive days, unless otherwise mutually agreed between the Employer and the Employee. Any ADO (where relevant) is in addition to the days free from ordinary duty referred to in this subclause 47.6.

### 48. Accrued Days Off

**48.1 Meaning of 'accrued day off'**

An accrued day off (**ADO**) results from hours of work under subclause 47.1 whereby a full-time Employee:

- (a) is rostered to work more than 38 hours per week;
- (b) is paid 38 ordinary hours;

- (c) the difference between the hours worked and hours paid accrues towards a paid day off; and
- (d) an Employee's ordinary wage for ordinary hours is deemed to be the weekly rate prescribed in clause 28 (Wages and Wage Increases) and set out in Appendix 2, and will be paid each week even though more or less than 38 ordinary hours are worked in that week.

#### **48.2 Accrual of ADOs**

- (a) All full-time Employees are entitled to an ADO. The Employer will not refuse a new full-time Employee an ADO.
- (b) The Employer will inform a new full-time Employee of the relevant department's work arrangements and provisions regarding hours of work and taking of ADOs.
- (c) A full-time Employee will work an average of 38 hours per week over a four week period as 19 shifts of 8 hours over four weeks. The Employee will be paid for 38 hours for each week (that is 7 hours and 36 minutes per day), and will work:
  - (i) 5 shifts of 8 hours each (40 hours per week) during three of the four weeks; and
  - (ii) 4 shifts of 8 hours each (32 hours in total) in one of the four weeks.
- (d) For the avoidance of doubt an Employee's ADO arrangement may provide for an Employee to take an ADO before the ADO has accrued in full.
- (e) An Employer and a full-time Employee may agree in writing to a different ADO arrangement to that in subclause 48.2(c).

*Example:*

A full-time Employee works 19 shifts of 10 hours over five weeks. The Employee is paid 38 hours for each week, even though the Employee works 4 shifts of 10 hours each (40 hours per week) during 4 of the 5 weeks. In one of the five weeks, the Employee works 3 shifts of 10 hours each (30 hours only) but is paid for 38 hours.

- (f) A full-time Employee may request to work their ordinary hours in a manner that does not accrue ADOs and the Employer will not unreasonably refuse the request.
- (g) **Deductions where leave is taken**
  - (i) Where a full-time Employee takes paid leave, the leave that will be deducted from the Employee's leave entitlement or accrual will be equal to the Employee's ordinary hours of work for the period of leave so that the Employee will accrue credit towards their ADO.

*Example:*

A full-time Employee's ordinary hours are worked as 19 shifts of 8 hours over four weeks. During a four week cycle the Employee takes annual leave for one week, with the Employee's ordinary hours of work for that week being 40. The Employee is paid for 38 hours for that week of annual leave (7 hours and 36 minutes per day for 5 days), however 40 hours of leave is deducted from the Employee's annual leave accrual for that week. The Employee will be entitled to a paid ADO of 7 hours and 36 minutes for the four week period that included the week of annual leave, with:

- 5 hours and 36 minutes of the ADO accrued from the 3 weeks the Employee worked; and
- 2 hours of the ADO accrued from the week of annual leave the Employee took (the 2 hour difference between the Employee's annual leave deduction and pay for that week.)

- (ii) Where a full-time Employee takes unpaid leave they will accrue the appropriate credit without pay for the ADO.

*Example:*

A full-time Employee's ordinary hours are worked as 19 shifts of 8 hours over four weeks. During a four week cycle an Employee works 18 shifts of eight hours and is on unpaid leave for one shift. The Employee will be entitled to an ADO of 7 hours and 36 minutes for the four week period that included the shift where the Employee was on unpaid leave, with:

- 7 hours and 12 minutes of the ADO being paid, accrued from the 18 shifts the Employee worked; and
- 24 minutes of the ADO being unpaid, accrued from the 1 shift the Employee was on unpaid leave.

### **48.3 ADOs and interaction with other periods**

- (a) Unless otherwise agreed, ADOs are to be taken during the normal 4 week or other cycle agreed to under subclause 48.2(c) in which the ADO is accrued (including leave periods).
- (b) ADOs on public holidays

See clause 58 (Public Holidays).

### **48.4 ADOs and termination of employment**

Upon termination of employment, if the full-time Employee has:

- (a) taken an ADO (in part or whole) in advance of accruing the necessary hours, the amount payable to the Employee will be reduced by the total ADOs or portion taken in advance; and
- (b) untaken ADOs (in part or whole) at the time of termination, the Employee will be paid the untaken ADOs.

*Examples:*

1. A full-time Employee has accrued 6 hours towards an ADO at the time of termination. The Employer will, in addition to any other outstanding entitlements, make payment to the Employee for an amount equal to 6 hours pay.
2. A full-time Employee has taken a full ADO of 7.6 hours, but has only accrued 3 hours towards this ADO at the time of termination. The Employer will reduce the amount payable to the Employee upon termination by an amount equal to 4.6 hours pay.

## 49. Breaks

### 49.1 Meal Interval

- (a) A meal interval of not more than 60 minutes will be allowed during each rostered period of duty (Monday to Friday inclusive) to Employees other than those working shift duty which will not be counted as time worked.

## 50. Roster

A roster setting out hours of duty, on-call requirements, meal times, commencing times, finishing times, weekend duty, night duty and other such duty as in accordance with this Agreement will be posted in such place or places as to allow an Employee covered by this Agreement to have ready access to the roster while at work, which may include ready electronic access. The roster will be posted at least three days prior to becoming effective. It will only be altered on account of sickness or other pressing emergency.

## 51. Rates for Saturdays and Sundays

- 51.1 All rostered time of ordinary duty performed on Saturday and Sunday will be paid for at the rate of time and a half.
- 51.2 Where Saturday and Sunday duties are required to be carried out in excess of the week's work such duties are to be paid at the rate of double time.

- 51.3** Any recall to duty on a Saturday or Sunday will be paid in accordance with clause 52 (Overtime), clause 53 (Recall – Return to Workplace) and/or clause 54 (Recall – No Return to Workplace) as applicable.
- 51.4** Time off in lieu of overtime may be taken in accordance with subclause 52.7 this Agreement.

#### **52.6 Minimum payment in certain circumstances**

*Note: Minimum payment for recall is dealt with in clause 53.*

Where an Employee performs overtime, including rostered overtime, on a day that they do not otherwise perform work, such an Employee will be paid by the Employer a minimum of three hours' pay at the applicable overtime rates.

#### **52.7 Time in Lieu**

- (a) An Employee may, with the consent of the Employer, elect to take time off in lieu of payment for overtime worked (including where recalled to duty) for a period equivalent to the overtime worked, plus a period equivalent to the overtime penalty incurred or a combination of time off and payment to the same value.

Under the Agreement these two hours would be paid at time and a half for a total payment of three ordinary hours. The Employee may, with the consent of the Employer, elect to take two hours of time off in lieu and receive payment for one hour.

- (b) Time off in lieu of overtime will be taken at a time mutually agreed between the Employer and the Employee, provided that the accrual of such time off will not extend beyond a 28 day period, unless otherwise agreed.
- (c) Where the time off is not taken within 28 days, the overtime worked will be paid in the next pay period, unless agreement has been reached under subclause 52.7(b).
- (d) The Employer will record time off in lieu arrangements.

**52.8 Transport**

In the event of any Employee finishing any period of overtime at a time when reasonable means of transport are not available for the Employee to return to their place of residence the Employer will provide adequate transport free of cost to the Employee.

**52.9 Trainee Supervision**

Notwithstanding anything contained in clause 87 (Trainee Supervision), any trainee may, due to medical emergency, be required to work reasonable overtime or shift duty at the discretion of the Employer. Such overtime or shift duty will be subject to the rates and/or allowances provided elsewhere in the Agreement.

**53. Recall – Return to Workplace**

- 53.1 The relevant rate for recall is at subclause 52.5 (Payment of Authorised Overtime) above.
- 53.2 An Employee who is recalled to duty, (whether on-call or not) where the work is not continuous with the Employee's next succeeding rostered period of ordinary duty will be paid:
  - (a) from the time of receiving the recall until the time of returning to the place from which the Employee was recalled; and
  - (b) a minimum of three hours' pay at the applicable overtime rates for each recall.

## 54. Recall – No Return to Workplace

### 54.1 Non CATT areas

- (a) Where recall to duty can be managed without the Employee returning to the workplace (for example by telephone), clause 53 will not apply and such Employee will be paid a minimum of one hour of overtime for such recall work.
- (b) For subsequent recalls beyond the first hour, the Employee will be paid a minimum of one hour of overtime, but multiple recalls within a discrete hour will not attract additional overtime.

### 54.2 Telephone recall CATT only

- (a) Employees engaged in on-call/recall for the provision of a crisis response (CATT type function) will be paid an allowance which is set out at **Appendix 3**, for each on-call period of 12 hours or part thereof.
- (b) The allowance includes payment of work performed of up to one hour's aggregate duration for each on-call period.
- (c) For work performed in excess of an aggregate of one hour during an on-call period, payment will be made at the normal overtime rate paid at the Employee's substantive classification and increment level.
- (d) Telephone attendance is to be regarded as recall to duty.
- (e) Only one Employee per team each night will be rostered on-call and in receipt of the allowance. No other team member (other than a psychiatrist) will be required or requested to provide out of hours service for that particular night.
- (f) Employees are to receive an uninterrupted break of at least eight hours between the end of the recall and the next shift. If the eight hour break is not observed double time will be paid until such break is observed.
- (g) The maximum period of on-call for CATT is to be twelve hours, with existing arrangements below the 12 hours not to be disturbed.
- (h) The Parties acknowledge the unique nature of the on-call requirements for crisis response (CATT type functions) and that it is not comparable to any other health care arrangement or setting.

## 55. Rest Period After Overtime/Recall – Ten Hour Break

**55.1** When overtime, including recall, is necessary the Employee will have at least ten consecutive hours off duty between all bodies of work, subject to subclauses 55.3 and 55.4 below.

### 55.2 Release from duty

An Employee who works so much overtime or recall between the end of the Employee's previous ordinary hours and the start of the next period of ordinary hours, that the Employee would not have at least ten consecutive hours off duty

between the end of the overtime or recall and the start of the next rostered period of ordinary hours will, subject to this clause 55, be released after completion of such overtime or recall worked until the Employee has had ten consecutive hours off duty without loss of pay for rostered ordinary hours occurring during such absence.

### **55.3 Work without release from duty**

- (a) If, on the instructions of the Employer, an Employee resumes or continues work without ten successive hours off duty the Employee will be paid at the rate of double time until the Employee is released from duty for such rest period and the Employee will then be entitled to be absent until the Employee has had ten consecutive hours off duty without loss of pay for rostered hours occurring during such absence.
- (b) If an Employee resumes work of the Employee's own volition, overtime will be calculated in accordance with clause 52 (Overtime). An Employee who resumes work voluntarily will be entitled without loss of pay to attend to ablution and sustenance matters.

### **55.4 Exception – recall work continuous with next rostered shift**

- (a) Subclauses 55.1 to 55.3 do not apply where:
  - (i) despite the recall, the Employee has had at least 10 consecutive hours off duty between their rostered periods of ordinary duty;
  - (ii) the period of recall is continuous with the next period of ordinary hours; and
  - (iii) the Employee does not work more than 2 hours recall.
- (b) Where subclause 55.4(a) applies, even though the recall is continuous with the next period of ordinary hours, an Employee will be entitled to a minimum 3 hour payment for the recall at the applicable overtime rates, and payment for the full period of ordinary hours. The Employee will also be entitled without loss of pay to attend to ablution and sustenance matters.

## **56. Daylight Savings**

*See also clauses 52 (Overtime) and 48 (Accrued Days Off).*

- 56.1** Despite the overtime provisions of this Agreement, if an Employee works on a shift during which time changes because of the introduction of, or cessation to, daylight saving, that Employee will be paid for the actual hours worked at the applicable ordinary time rate of pay (including any applicable shift allowances, allowances ordinarily payable in respect of the shift and special rates for Saturdays and Sundays).

*Examples:*

1. An Employee is rostered to work an eight hour night shift from 11pm through to 7am (including a paid 30 minute meal break). During the course of this shift, the clock is wound forward one hour due to the commencement of daylight saving.

The Employee therefore works 7 hours. The Employee is paid 7 hours at the applicable ordinary time rate of pay (including any shift allowances, allowances ordinarily payable in respect of this shift and special rates for Saturdays and Sundays).

2. An Employee is rostered to work a ten hour night shift from 9pm through to 7am (including a paid 30 minute meal break). During the course of this shift, the clock is wound back one hour due to the cessation of daylight saving.

The Employee therefore works 11 hours. The Employee is paid 11 hours at the applicable ordinary time rate of pay (including any shift allowances, allowances ordinarily payable in respect of this shift and special rates for Saturdays and Sundays). No overtime is paid for the additional hour worked.

- 56.2** For the purpose of calculating accrued days off, Employees who work on a shift during which time changes because of the introduction of, or cessation to, daylight saving, will be taken to have worked the standard hours for a night shift in accordance with the roster.

## **57. Make-up Time**

- 57.1** Notwithstanding provisions elsewhere in this Agreement an Employee may elect, with the consent of the Employer, to work make-up time under which the Employee takes time off during ordinary hours, and works those hours at a later time, during the spread of ordinary hours provided in this Agreement.
- 57.2** An Employee on shift work may elect, with the consent of the Employer, to work make-up time under which the Employee takes time off ordinary hours and works those hours at a later time, at the shift work rate which would have been applicable to the hours taken off.

**58.4 Additional days**

Where public holidays are declared or prescribed on days other than those set out in subclause 58.2 and subclause 58.3 above in Victoria or a locality thereof, those days will, as applicable, constitute additional holidays for the purpose of this Agreement.

**58.5 Substitution of public holidays by agreement**

- (a) The Employer and the Employees may agree to substitute another day for any prescribed in this clause 58. For this purpose, the consent of the majority of affected Employees will constitute agreement.
- (b) An agreement pursuant to subclause 58.5(a) will be recorded in writing and be available to every affected Employee.

**58.6** Employees rostered to work on public holidays and who fail to do so will not be entitled to holiday pay for the said holiday.

- 58.7** If an Employee works on any of such holidays or such holiday occurs on their rostered day off they will be paid at the ordinary time rate of pay for the time so worked, in addition to which they will be entitled to receive:
- (a) within four weeks following the date on which such holiday occurred;
    - (i) one and a half extra day's pay;
    - (ii) one and a half days off in lieu thereof of which at least seven days' notice will be given;
    - (iii) one and a half days will be added to their annual leave;
  - (b) in the case of an Employee not qualifying for annual leave and where none of the provisions of subclause 58.7(a) above have been applied the one and a half days' pay will be added to the payment in lieu of annual leave; and
  - (c) one and a half times the ordinary time rate of pay for any work done in excess of eight hours.
- 58.8** In respect of Easter Saturday, an Employee who ordinarily works Monday to Friday only and who does not work on Easter Saturday, will be entitled to one day's pay in respect of Easter Saturday or where there is mutual consent, within four weeks following the date on which such holiday occurred the Employee may take one day off in lieu or have one day added to their annual leave.
- 58.9** Notwithstanding the earlier provisions of this clause 58 a Weekend Worker who works on any of the holidays set out in subclause 58.2, will be entitled (in lieu of any entitlement under subclause 58.3) to one and a half extra days' pay on the first pay day following the end of the pay period during which the holiday falls.
- 58.10** If, at the end of the yearly period in respect of which their annual leave accrues such Weekend Worker does not become entitled to additional leave under subclause 59.2(a)(i) they will, at the option of the Employer, be entitled to one and a half extra days' pay or one and a half extra days' annual leave for each such holiday on which they were rostered off.
- 58.11** Where an Employee's accrued day off falls on any such public holiday, a substitute day will be determined by the Employer to be taken in lieu thereof, such day to be within the same four week cycle where practical.
- 58.12** Notwithstanding the provisions of subclause 58.3, with the exception of Easter Saturday, an Employee who is ordinarily not required to work on a Sunday or Saturday will not be entitled to any benefit for any public holidays which may fall on or are observed on a Saturday or a Sunday unless they are required to work on any such public holiday.

## 59. Annual Leave

### 59.1 Period of leave

- (a) An Employee will be entitled to 152 hours leave on ordinary pay per year of continuous service with the Employer.
- (b) Annual leave accrues progressively during a year of continuous service according to the Employee's ordinary hours of work, and accumulates from year to year.
- (c) A part-time Employee accrues annual leave on a pro rata basis.

### 59.2 Additional leave

#### (a) Weekend worker

- (i) An Employee who is a Weekend Worker (as defined in subclause 58.1) who works for more than four ordinary hours on 10 or more weekends per year of continuous service is entitled to an additional 38 hours' annual leave (pro rata for part-time Employees) on the same terms and conditions.
- (ii) The provisions of this subclause 59.2(a) have the same effect and give an Employee an entitlement to annual leave that is the same as the Employee's entitlement under the National Employment Standards relating to shiftworkers under section 87(1)(b)(ii) of the Act.
- (iii) An Employee's entitlement to annual leave under this subclause 59.2(a) operates in parallel with the Employee's NES entitlement, but not so as to give the Employee a double benefit.
- (iv) A Weekend Worker whose employment is terminated at the end of a period of employment which is less than one year from the date of commencement of the employment, or the date upon which the Employee last became entitled to annual leave, will be paid an amount equal to 1/48th of their ordinary pay in respect of that period of employment.
- (v) The entitlement in subclause 59.2(a) is additional to the On-Call and Rostered Overtime entitlement provided by subclause 59.2(b), but both entitlements cannot be claimed for the same bodies of work.

#### (b) On Call and Rostered Overtime

- (i) An Employee who is rostered on-call or who performs rostered overtime for more than four (4) hours on 10 or more weekends per annum will be entitled to an additional 38 hours annual leave (pro rata for part-time Employees). This entitlement is in addition to the Weekend Worker entitlement provided by subclause 59.2(a), but both entitlements cannot be claimed for the same bodies of work.

- (ii) Leave loading does not apply to leave accrued under subclause 59.2(b) above.

### **59.3 Time of taking leave**

- (a) Annual leave will be taken for a period agreed between the Employee and the Employer. An Employee may access accrued annual leave prior to the completion of a year of service.
- (b) The Employer will not unreasonably refuse to agree to a request by the Employee to take paid annual leave, including a request to take single day or part day periods of annual leave.
- (c) The Employer will not revoke an authorisation already given for an Employee to take annual leave.
- (d) Where an Employee applies for annual leave the Employer will respond to such an application as soon as possible, but no later than four weeks after the application has been made.
- (e) Where it is likely the leave request will be rejected, the Employer and Employee will consult on alternative leave days within the 4 week period in subclause 59.3(d).

### **59.4 Leave in advance**

- (a) The Employer may allow an Employee to take annual leave in advance of accrual.
- (b) Where an Employee remains in annual leave debt upon termination, such amount (including any leave loading paid) may be deducted from any amounts otherwise payable to the Employee upon termination of the employment.

### **59.5 Payment on termination**

If, when the employment of an Employee ends, the Employee has a period of untaken accrued annual leave, the Employer must pay to the Employee the amount that would have been payable to the Employee had the Employee taken that period of annual leave, including any annual leave loading.

### **59.6 Payment for Leave**

- (a) Employees will receive their ordinary pay and any amount required by subclause 59.6(b) (Annual leave loading or penalties) for the Employee's ordinary hours of work in the period of annual leave.

#### **(b) Annual Leave loading or penalties**

In addition to ordinary pay an Employee will receive the higher of:

- (i) leave loading of 17.5% calculated on the relevant wage rate prescribed in Appendix 2, subject to the cap at subclause 59.6(c); or
- (ii) the payments listed below which the Employee would have received had the Employee not been on leave:

- A. shift allowances (clause 38); and
- B. rates for Saturday and/or Sunday (clause 51).

**(c) Calculating leave loading or penalties**

- (i) Leave loading under subclause 59.6(b)(i) is payable on:
  - A. the annual leave accrued and accumulated under subclause 59.1; and
  - B. the Employee's weekly ordinary pay during periods of annual leave, subject to the cap (as defined in subclause 59.6(c)(ii)).
- (ii) The cap under subclause 59.6(c)(i)B above is the weekly rate prescribed by this Agreement for AHP1 Grade 3, Year 1.
- (iii) To determine which payments the Employee would have received had the Employee not been on leave for the purpose of subclause 59.6(b)(ii), this will be done either by using:
  - A. the projected roster, being the roster the Employee would have worked had they not been on leave; or
  - B. where there is no projected roster, the rosters for the three months immediately preceding the leave excluding any period during which the Employee was not on the roster (for example, because of attendance at approved professional development or another form of paid leave).

**59.7 Excess Annual leave**

Notwithstanding subclause 59.3 above, the Employer may, upon the provision of 10 weeks' notice, direct the Employee to take up to one quarter of the Employee's accrued annual leave entitlement, provided that the Employee has in excess of 304 hours' annual leave accrued (pro rata for part-time Employees).

**59.8 Employee not taken to be on paid annual leave at certain times**

**(a) Public Holidays**

*See also clause 58 (public holidays)*

If an Employee takes paid annual leave during a period that includes a public holiday, the Employee is taken not to be on paid annual leave on that day and annual leave will not be deducted from an Employee's accrual for that day.

**(b) Other Periods of Leave**

*See also clause 62 (Personal/Carers Leave) and 67 (Compassionate Leave)*

- (i) An Employee may take other types of leave, such as personal leave or compassionate leave whilst on annual leave. An Employee is taken not to be on paid annual leave whilst on other leave and the Employee's paid annual leave accrual will be

amended to reflect this. That is, annual leave will not be deducted from an Employee's annual leave accrual for the time the Employee is on the other leave. These provisions do not apply to unpaid parental leave.

- (ii) An Employee taking personal leave whilst on annual leave will provide the Employer with evidence in accordance with clause 62 (Personal/Carers Leave).
- (iii) An Employee taking compassionate leave whilst on annual leave will provide the Employer with evidence in accordance with clause 67 (Compassionate Leave).
- (iv) Where an Employee takes other leave during annual leave, any annual leave loading received for a period that is no longer annual leave is taken to have been paid in advance as required in subclause 59.6 (Payment for Leave). Where the Employee's employment with the Employer ends prior to the Employee taking the annual leave for the period for which the Employee has been paid an amount as annual leave loading in advance, that amount is not payable under subclause 59.5 (Payment on termination).

## **60. Cashing Out of Annual Leave**

**60.1** An Employee may, with the consent of the Employer, choose to cash out paid annual leave in accordance with this clause 60.

### **60.2 Written request and written agreement**

An Employee wishing to cash out annual leave must make a written request to the Employer. Where the Employer agrees to that request, the Employee and the Employer will record the agreement in writing.

### **60.3 Terms of agreement must comply with terms**

- (a) A written agreement must comply with the following terms:
  - (i) paid annual leave must not be cashed out if the cashing out would result in the Employee having less than four weeks of accrued annual leave;
  - (ii) each cashing out of a particular amount of paid annual leave must be by a separate agreement in writing between the Employer and the Employee;
  - (iii) the Employee must be paid at least the full amount that would have been payable to the Employee had the Employee taken the leave that the Employee has forgone, including annual leave loading and superannuation to the Employee's nominated fund; and
  - (iv) an Employee cannot cash out more than four weeks paid annual leave in any 12-month period.

- (b) An Employee's accrued annual leave entitlement will be reduced by the amount of annual leave paid out.

**60.4 Part-time Employees – cashing out of annual leave where contracted EFT fraction has reduced**

A part-time Employee who has reduced their EFT fraction, may request to cash out accrued annual leave in conjunction with taking a period of annual leave so that the total payment for the period is equivalent to the previous EFT fraction. The request and any agreement must comply with the requirements of subclause 60.3 above save that:

- (a) paid annual leave must not be cashed out if the cashing out would result in the Employee's remaining accrued entitlement to paid annual leave being less than four weeks calculated using the new EFT fraction; and
- (b) the limit on cashing out no more than four weeks annual leave will not apply.

*Example:*

A part-time Employee recently reduced their contracted EFT from 32 hours per week to 16 hours per week. The Employee wishes to take two weeks annual leave. The Employee's payment for annual leave taken would be 32 hours' pay (16 hours per week multiplied by 2), plus annual leave loading.

The Employee has 160 hours of accrued annual leave (ie 5 weeks leave at their previous EFT, or 10 weeks' leave at their new EFT), before taking or cashing out any annual leave.

Subject to the Employee complying with this clause 60, the Employee may elect to cash out an additional 32 hours annual leave (plus annual leave loading), at the same time as taking annual leave, so that the total paid to the Employee during the period of leave is:

- 32 hours' pay (16 hours per week multiplied by 2), plus annual leave loading, for annual leave taken; plus
- 32 hours' pay, plus annual leave loading, for annual leave cashed out.

At the end of the annual leave period, the Employee retains 6 weeks' annual leave, at the Employee's part time hours. That is, the Employee will have:

160 hours accrued prior to the leave period, minus 32 hours taken, minus 32 hours cashed out = 96 hours (16 hours multiplied by 6 weeks) accrued annual leave at the end of the leave period.

## 61. Purchased Leave

*This clause 61 does not apply to casual Employees.*

- 61.1** An Employee may apply to purchase up to 20 working days (pro-rated for part-time Employees) additional paid leave in a twelve-month period at ordinary pay. The Employer will not unreasonably withhold approval of an application to purchase leave by an Employee. The additional paid leave is purchased through salary deductions made over the whole year. The amount deducted will correspond with the amount of leave purchased.

*Examples:*

1. An Employee who purchases an additional four (4) weeks leave will be paid 48/52 or 92.31% of their ordinary pay throughout the relevant 12 month period.
2. An Employee who purchases an additional two (2) weeks leave will be paid 50/52 or 96.15% of their ordinary pay throughout the relevant 12 month period.

- 61.2** Purchased Leave may be taken in conjunction with other types of leave.
- 61.3** Purchased Leave must be used in the twelve-month period in which it is purchased.
- 61.4** Once approval has been granted, the Employee may only vary or cancel the arrangement in extraordinary circumstances.
- 61.5** Where the:
- (a) arrangement has been varied or cancelled because of extraordinary circumstances;
  - (b) Employee's employment terminates; or
  - (c) purchased leave has not been taken in the relevant 12 month period;
- the Employer will refund the amount of salary deducted in respect of any unused purchased leave as a lump sum. In the case of variation or cancellation, payment will be made no later than two pay periods following notification of the variation or cancellation.
- 61.6** Where the Employee's employment terminates and the amount of purchased leave taken exceeds the amount deducted, the Employer may deduct a sum equal to the negative balance from any remuneration payable to the Employee upon termination of employment.
- 61.7** Purchased leave:
- (a) counts as service for all purposes; and
  - (b) is not annual leave.

## 62. Personal/Carer's Leave

*This clause 62 does not apply to casual Employees. The entitlements of casual Employees are set out in clause 63 (Casual Employment – Caring Responsibilities).*

### 62.1 Amount of Paid Personal Leave

- (a) An Employee is entitled to the following amount of paid personal leave:
  - (i) 91 hours and 12 minutes (12 days) in the first year of service;
  - (ii) 106 hours and 24 minutes (14 days) in each year in the second, third and fourth years of service; and
  - (iii) 159 hours 36 minutes (21 days) in each year in the fifth and following years of service.

A 'day' equals 7 hours and 36 minutes in this clause 62.

- (b) Paid personal leave accrues progressively during a year of service according to the Employee's ordinary hours of work (excluding overtime) and accumulates from year to year.
- (c) A part-time Employee accrues personal leave on a pro-rata basis.
- (d) The Employer may, at its discretion, credit personal leave in advance of accrual to an Employee.

#### (e) Service

In subclause 62.1(a), **service** includes service with an employer referred to in subclauses 62.8(b)(i) or (ii), including an Employer covered by this Agreement and a registered community health centre, subject to the Employee meeting the evidence requirements of subclause 62.8(c).

### 62.2 Payment for leave

- (a) Payment will be made based on the Employee's ordinary pay for the ordinary hours the Employee would have worked on the day or days on which the leave was taken.
- (b) An Employee utilising personal leave may take leave for part of a single day. Leave will be deducted from the Employee's accrued personal leave including, where relevant, for a part day.

### 62.3 Access to paid personal leave

Subject to the conditions set out in this clause 62, an Employee may take paid personal leave if the leave is taken:

- (a) due to personal illness or injury (sick leave); or
- (b) to care for or support a member of the Employee's immediate family or household because of:
  - (i) a personal illness or injury affecting them; or
  - (ii) an unexpected emergency affecting them (carer's leave).

**62.4** In normal circumstances an Employee must not take carer's leave under this clause 62 where another person has taken leave to care for the same person.

**62.5 Sick leave**

**(a) General**

An Employee may take personal leave for the reasons described at subclause 62.3(a) above and 62.5(b) below.

**(b) Personal Leave to Attend Appointments**

An Employee may use up to one week (38 hours) of personal leave (pro rata for part-time Employees), in aggregate, in any year of service for reasons other than those described at subclause 62.3 on account of a disability or where the Employee is required in the circumstances to attend a Registered Health Practitioner.

*Example:*

An Employee may use their personal leave to attend a Registered Health Practitioner on ten occasions of half a day each in any year of service provided that the total period will not exceed one week (38 hours).

**(c) Evidence requirements**

An Employee taking sick leave will give the Employer evidence that would satisfy a reasonable person the Employee is absent due to personal illness or injury or, in the case of leave taken to attend an appointment (see subclause 62.5(b)) evidence of attendance. Evidence that would satisfy a reasonable person that the Employee is absent due to personal illness or injury includes:

- (i) a medical certificate from a Registered Health Practitioner; or
- (ii) a Commonwealth or Victorian Statutory Declaration signed by the Employee.

The certificate or statutory declaration will be given to the Employer within 48 hours of the start of the absence or as soon as is reasonably practicable.

**(d) Exception to evidence requirement – single day absences**

An Employee may be absent for a single day without evidence of personal illness or injury as required at subclause 62.5(c) above, on not more than three occasions per year of service.

**(e) Exception – Additional shifts**

Where an Employee is absent due to illness or injury for an additional ordinary time shift, the Employee will provide a medical certificate. For the purpose of this subclause 62.5(e), an 'additional shift' is an ordinary time shift in addition to a part-time Employee's ordinary shifts in accordance with subclause 19.4 (Additional hours).

**(f) Notice requirements**

An Employee should inform the Employer of their absence at least 2 hours prior to the commencement of duty on the first day of absence, or otherwise as soon as is reasonably practicable, and of the estimated duration of the absence. Employees rostered for duty prior to 10.00am on the first day of absence will not be required to give notice before 8am.

**(g) Failure to provide notice of absence**

Personal leave will not be withheld by an Employer until all reasonable steps have been taken to investigate the Employee's lack of advice as required by subclause 62.5(f) regarding the absence from duty. Such an investigation must provide the Employee with an opportunity to give reasons as to why notification was not given.

**62.6 Carer's leave****(a) Evidence requirements**

The Employee must, if required by the Employer, establish by production of a Commonwealth or Victorian statutory declaration, a medical certificate from a Registered Health Practitioner or other evidence that would satisfy a reasonable person that a member of the Employee's immediate family or household has either:

- (i) an illness or injury; or
- (ii) an unexpected emergency;

that requires their care or support. In the case of an unexpected emergency, the Employee will identify the nature of the emergency. An 'unexpected emergency' includes providing care or support to a member experiencing family violence as described at subclause 66.5(b).

**(b) Notice requirements**

- (i) The Employee must, where practicable, give the Employer notice of the intention to take leave prior to the absence that includes:
  - A. the relationship to the Employee of the person requiring care or support;
  - B. the reasons for taking such leave; and
  - C. the estimated length of absence.
- (ii) If it is not reasonably practicable for the Employee to give prior notice of absence, the Employee must notify the Employer of the absence as soon as practicable.

**(c) Unpaid leave where accruals exhausted**

An Employee who has exhausted paid personal leave entitlements is entitled to take unpaid carer's leave. The Employer and the Employee will agree on the period. In the absence of agreement, the Employee is

entitled to take up to two days per occasion, provided the evidence requirements are met.

**(d) Failure to provide notice of absence**

Personal leave will not be withheld by an Employer until all reasonable steps have been taken to investigate the Employee's lack of advice as required by subclause 62.6(b) regarding the absence from duty. Such an investigation must provide the Employee with an opportunity to give reasons as to why notification was not given.

**62.7 Personal leave on a public holiday**

*See also clause 58 (Public Holidays)*

If the period during which an Employee takes paid personal leave includes a day or part-day that is a public holiday in the place where the Employee is based for work purposes, the Employee is taken not to be on paid personal leave on that public holiday.

**62.8 Portability of Personal Leave**

- (a) For the purposes of this subclause 62.8 **allowable absence** means 13 weeks in addition to the total period of paid annual, long service and/or personal leave which the Employee actually receives on termination or for which they are paid in lieu.
- (b) Where an Employee is or has been in the service of:

the Eligible Employee may change the period of parental leave on one occasion. Any change is to be notified as soon as possible but no less than four weeks prior to the commencement of the changed arrangements. Nothing in this subclause 70.11 detracts from the basic entitlement in subclause 70.3 or subclause 70.11.

(b) If the Employer and Eligible Employee agree, the Eligible Employee may further change the period of parental leave.

**70.12 Right to request an extension of period of unpaid parental leave beyond 12 months**

(a) An Eligible Employee entitled to Long Parental Leave pursuant to the provisions of subclause 70.3 may request the Employer to allow the Eligible Employee to extend the period of Long Parental Leave by a further continuous period of up to 12 months immediately following the end of the available parental leave.

**(b) Request to be in writing**

The request must be in writing and must be given to the Employer at least four weeks before the end of the available parental leave period.

**(c) Response to be in writing**

The Employer must give the Eligible Employee a written response to the request stating whether the Employer grants or refuses the request. The response must be given as soon as practicable, and not later than 21 days, after the request is made.

**(d) Refusal only on reasonable business grounds**

The Employer may only refuse the request on reasonable business grounds.

**(e) Reasons for refusal to be specified**

If the Employer refuses the request, the written response must include details of the reasons for the refusal.

**(f) Reasonable opportunity to discuss**

The Employer must not refuse the request unless the Employer has given the Eligible Employee a reasonable opportunity to discuss the request.

**(g) Employee Couples**

Where a member of an Employee Couple is requesting an extension to a period of Long Parental Leave in relation to a Child:

- (i) the request must specify any amount of Long Parental Leave that the other member of the Employee Couple has taken, or will have taken in relation to the Child before the extension starts;
- (ii) the period of extension cannot exceed 12 months, less any period of Long Parental Leave that the other member of the Employee Couple has taken, or will have taken, in relation to the Child before the extension starts;
- (iii) the amount of Long Parental Leave to which the other member of the Employee Couple is entitled under subclause 70.3 in relation to the Child is reduced by the period of the extension.

**(h) No extension beyond 24 months**

An Eligible Employee is not entitled to extend the period of Long Parental Leave beyond 24 months after the date of birth or day of placement of the Child.

**70.13 Parental leave and other entitlements**

An Eligible Employee may use any accrued annual leave or long service leave entitlements concurrently with Parental Leave, save that taking that leave does not have the effect of extending the period of Parental Leave.

**70.14 Transfer to a safe job**

- (a) Where an Employee is pregnant and provides evidence that would satisfy a reasonable person that they are fit for work but it is inadvisable for the Employee to continue in their present position for a stated period (the **risk period**) because of:

- (i) illness or risks arising out of the pregnancy; or
- (ii) hazards connected with the position;

the Employee must be transferred to an appropriate safe job if one is available for the risk period, with no other change to the Employee's terms and conditions of employment.

**(b) Paid no safe job leave**

If:

- (i) subclause 70.14(a) applies to a pregnant Eligible Employee but there is no appropriate safe job available;
- (ii) the Eligible Employee is entitled to Long Parental Leave; and
- (iii) the Eligible Employee has complied with the notice of intended start and end dates of leave and evidence requirements under subclause 70.6 for taking Long Parental Leave;

then the Eligible Employee is entitled to paid no safe job leave for the risk period.

- (c) If the Eligible Employee takes paid no safe job leave for the risk period, the Employer must pay the Eligible Employee at the Eligible Employee's ordinary hours rate of pay for the Eligible Employee's ordinary hours of work in the risk period.
- (d) This entitlement to paid no safe job leave is in addition to any other leave entitlement the Eligible Employee may have.
- (e) If an Eligible Employee, during the six week period before the expected date of birth, is on paid no safe job leave, the Employer may request that the Eligible Employee provide a medical certificate within seven (7) days stating whether the Eligible Employee is fit for work.
  - (i) If the Eligible Employee has either:
    - A. not complied with the request from the Employer; or
    - B. provided a medical certificate stating that they are not fit for work;

then the Eligible Employee is not entitled to no safe job leave and the Employer may require the Eligible Employee to take parental leave as soon as practicable.

**(f) Unpaid no safe job leave**

If:

- (i) subclause 70.14(a) applies to a pregnant Employee but there is no appropriate safe job available;
- (ii) the Employee will not be entitled to Long Parental Leave as at the expected date of birth; and
- (iii) the Employee has given the Employer evidence that would satisfy a reasonable person of the pregnancy if required by the Employer (which may include a requirement to provide a medical certificate);

the Employee is entitled to unpaid no safe job leave for the risk period.

### **70.15 Returning to work after a period of parental leave**

- (a) An Eligible Employee will endeavour to notify the Employer of their intention to return to work after a period of Long Parental Leave at least four weeks prior to the end of the leave, or where that is not practicable, as soon as practicable.
- (b) An Eligible Employee will be entitled to return:
  - (i) unless subclause 70.15(b)(ii) or subclause 70.15(b)(iii) applies, to the position which they held immediately before proceeding on parental leave;
  - (ii) if the Eligible Employee was promoted or voluntarily transferred to a new position (other than to a safe job pursuant to subclause 70.14), to the new position;
  - (iii) if subclause 70.15(b)(ii) does not apply, and the Eligible Employee began working part-time because of the pregnancy of the Eligible Employee, or their Spouse, to the position held immediately before starting to work part-time.
- (c) Subclause 70.15(b) is not to result in the Eligible Employee being returned to the safe job to which the Eligible Employee was transferred under subclause 70.14. In such circumstances, the Eligible Employee will be entitled to return to the position held immediately before the transfer.
- (d) Where the relevant former position (per subclauses 70.15(b) and 70.15(c) above) no longer exists, an Eligible Employee is entitled to return to an available position for which the Eligible Employee is qualified and suited nearest in status and pay to that of their pre-parental leave position.
- (e) The Employer must not fail to re-engage an Eligible Employee because:
  - (i) the Eligible Employee or Eligible Employee's Spouse is pregnant; or
  - (ii) the Eligible Employee is or has been immediately absent on parental leave.
- (f) The rights of the Employer in relation to engagement and re-engagement of casual Employees are not affected, other than in accordance with this clause 70.

### **70.16 Replacement Employees**

- (a) A replacement Employee is an Employee specifically engaged or temporarily promoted or transferred, as a result of an Eligible Employee proceeding on parental leave.
- (b) Before the Employer engages a replacement Employee, the Employer must inform that person of the temporary nature of the employment and of the rights of the Eligible Employee who is being replaced to return to their pre-parental leave position.

### **70.17 Communication during parental leave – organisational change**

- (a) Where an Eligible Employee is on parental leave and the Employer proposes a change or makes a decision that will have a significant effect within the meaning of clause 13 (Consultation) of this Agreement on the Eligible Employee's pre-parental leave position and/or on the status, pay or location of the Eligible Employee's pre-parental leave position, the Employer will comply with the requirements of clause 13 (Consultation) which include but are not limited to providing:
  - (i) information in accordance with subclause 13.4; and
  - (ii) an opportunity for discussions with the Eligible Employee and, where relevant, the Eligible Employee's representative in accordance with subclause 13.6.
- (b) The Eligible Employee will endeavour to take reasonable steps to inform the Employer about any significant matter that arises whilst the Eligible Employee is taking parental leave that will affect the Eligible Employee's decision regarding the duration of parental leave to be taken, whether the Eligible Employee intends to return to work and whether the Eligible Employee intends to request to return to work on a part-time basis.
- (c) The Eligible Employee will also notify the Employer of changes of address or other contact details which might affect the Employer's capacity to comply with subclause 70.17.
- (d) The Eligible Employee's pre-parental leave position is:
  - (i) unless subclause 70.17(d)(ii) below applies, the position the Eligible Employee held before starting parental leave;
  - (ii) if, before starting parental leave, the Eligible Employee:
    - A. was transferred to a safe job because of their pregnancy; or
    - B. reduced their working hours due to their pregnancy;
 the position the Eligible Employee held immediately before that transfer or reduction.

### **70.18 Keeping in touch days**

- (a) This clause 70 does not prevent an Eligible Employee from performing work for the Employer on a keeping in touch day while the Eligible Employee is taking Long Parental Leave. If the Eligible Employee does so, the performance of that work does not break the continuity of the period of Long Parental Leave.
- (b) Any day or part of a day on which the Eligible Employee performs work for the Employer during the period of leave is a keeping in touch day if:
  - (i) the purpose of performing the work is to enable the Eligible Employee to keep in touch with their employment in order to facilitate a return to that employment after the end of the period of leave;

- (ii) both the Eligible Employee and Employer consent to the Eligible Employee performing work for the Employer on that day;
- (iii) the day is not within:
  - A. if the Eligible Employee suggested or requested that they perform work for the Employer on that day – 14 days after the date of birth, or day of placement, of the Child to which the period of leave relates; or
  - B. otherwise – 42 days after the date of birth, or day of placement, of the Child; and
- (iv) the Eligible Employee has not already performed work for the Employer or another entity on ten days during the period of leave that were keeping in touch days.

The duration of the work the Eligible Employee performs on that day is not relevant for the purposes of this subclause 70.18(b).

- (c) The Employer must not exert undue influence or undue pressure on an Eligible Employee to consent to a keeping in touch day.
- (d) For the purposes of subclause 70.18(b)(iv) the following will be treated as two separate periods of unpaid parental leave:
  - (i) a period of Long Parental Leave taken during the Eligible Employee's available parental leave period under subclause 70.3; and
  - (ii) an extension of the period of Long Parental Leave under subclause 70.11.

## 71. Breastfeeding

### 71.1 Paid break

The Employer will provide reasonable paid break time for an Employee to express breast milk for her nursing child each time such Employee has need to express the milk, or breastfeed the child within the workplace, for one year after the child's birth.

### 71.2 Place to express or feed

The Employer will also provide a comfortable place, other than a bathroom, that is shielded from view and free from intrusion from co-workers and the public, which may be used by an Employee to express breast milk or breastfeed a child in privacy.

### 71.3 Storage

Appropriate refrigeration will be available in proximity to the area referred to in subclause 71.2 for breast milk storage. Responsibility for labelling, storage and use lies with the Employee.

## 72. Long Service Leave

### 72.1 Definitions

For the purpose of this clause 72 the following definitions apply:

- (a) **Allowable period of absence** means 5 weeks in addition to the total period of paid annual and/or personal leave which the Employee actually receives on termination or for which the Employee is paid in lieu.
- (b) **Pay** means remuneration for an Employee's normal weekly hours of work calculated at the Employee's ordinary time rate of pay provided in **Appendix 2**, at the time the leave is taken or (if the Employee dies before the completion of leave so taken) as at the time of the Employee's death, and will include the amount of any increase to the Employee's ordinary time rate of pay which occurred during the period of leave from the date such increase operates. Where a part-time Employee's hours fluctuate because the Employee works additional ordinary shifts (but excluding a permanent variation), the 'normal weekly hours of work' will be calculated by taking an average over the preceding 12 months where this is more favourable to the Employee.
- (c) **Month** means a calendar month.
- (d) **Institution** means any health service, hospital or benevolent home, community health centre, society or association:
  - (i) named in **Appendix 1** of this Agreement;
  - (ii) created by or registered under the *Hospital and Charities Act 1958* or the *Health Services Act 1988*; and
  - (iii) the Cancer Institute constituted under the *Cancer Act 1958*.
- (e) **Statutory Body** means the Hospital and Charities Commission (Vic), the Health Commission of Victoria and/or the Victorian Nursing Council and successors.
- (f) **Transfer of business** occurs in the circumstances described at section 311 of the Act.

### 72.2 Entitlement

An Employee, other than a casual Employee, will be entitled to long service leave with pay, in respect of continuous service with the Employer or continuous service with Institutions or Statutory Bodies as follows:

- (a) 6 months of long service leave on completing 15 years' continuous service; and
- (b) 2 months of long service leave on completing each period of 5 years of continuous service after the first 15 years of continuous service.

### **72.3 Taking of leave**

#### **(a) When Leave is to be taken**

Long service leave will be granted by the Employer within six months from the date of the entitlement under subclause 72.2, save that:

- (i) long service leave may be postponed to a mutually agreeable date; or
- (ii) if agreement cannot be reached, the date will be determined by a member of the Commission provided that such a determination will not require leave to commence before six months from the date of such determination.

#### **(b) How leave is to be taken**

Long service leave will be taken:

- (i) in one or more periods, with each period being not less than a week; or
- (ii) where it is taken as part of a transition to retirement arrangement, in any other way agreed upon by the Employer and Employee.

#### **(c) Flexible taking of leave: double leave at half pay or half leave at double pay**

- (i) An Employee may make an application to the Employer to take:
  - A. double the period of long service leave at half pay; or
  - B. half the period of long service leave at double the pay.
- (ii) Employees should seek independent advice regarding the taxation and superannuation implications of seeking payment under this subclause 72.3(c). The Employer will not be held responsible in any way for the cost or outcome of any such advice.
- (iii) The Employer, if requested by the Employee, will provide information as to the amount of tax the Employer intends to deduct where payment of long service leave is sought under subclause 72.3(c)(i).
- (iv) Wherever it is practical to do so, the Employer will grant a request by an Employee to take double the long service leave at half pay or half long service leave at double the pay. If granting the request under this subclause 72.3(c) would result in an additional cost to the Employer, then it is not practical to grant an Employee's request.
- (v) Flexible taking of long service leave does not affect an Employee's continuous service recognised.

*Example:*

1. In the case of an Employee taking 12 months paid long service leave at half pay, 6 months will count towards the Employee's continuous service.
2. In the case of an Employee taking 3 months paid long service leave at double pay, 6 months paid leave will count towards the Employee's continuous service.

**(d) Long Service Leave in advance/accessing Long Service Leave after 10 years of continuous service**

In the case of an Employee who has completed at least ten years' service but less than fifteen years' service, the Employee may take pro rata long service leave. The time such leave is taken will be by agreement between the Employee and the Employer having regard for the Employer's operational requirements, save that such agreement will not be unreasonably withheld by the Employer. In the event of any dispute over the timing of such leave, the dispute resolution procedure at clause 14 will apply.

**(e) Long Service Leave is inclusive of Public Holidays and Accrued days off**

*See also clauses 58 (Public Holidays) and 48 (Accrued Days Off)*

Long service leave is inclusive of any public holiday or ADO.

**72.4 Payment for period of leave**

- (a) Payment will be made in one of the following ways:
  - (i) in full in advance when the Employee commences the leave;
  - (ii) at the same time as payment would have been made if the Employee had remained on duty; or
  - (iii) in any other way agreed between the Employer and the Employee.
- (b) Where an Employee has been paid in advance, and an increase occurs in the ordinary time rate of pay during the period of long service leave taken, the Employee will be entitled to receive payment of the amount of any increase in pay at the completion of such leave.

**72.5 Calculating continuous service****(a) Service With More Than One Employer**

- (i) The continuous service of an Employee with an Institution or Statutory Body will include service for which long service leave or payment in lieu has not been received from one or more Institutions or Statutory Bodies, save that:

A. when calculating the aggregate of continuous service, any

period of employment with an Institution or Statutory Body of less than six months will be disregarded; and

- B. the onus of proving a sufficient aggregate of service to support a claim for any long service leave entitlement will at all times rest upon the Employee concerned. A Certificate of Service in accordance with **Appendix 6** or a similar form will constitute acceptable proof. An Employer will provide an Employee whose employment is ending a Certificate of Service in accordance with **Appendix 6** upon request.

*Example:*

An Employee resigns after 10 years' service with Employer A. The Employee elects under subclause 72.8 to not receive payment in lieu of the 4 months Long Service Leave (LSL) that has accrued.

Within the allowable period (as defined above), the Employee commences employment with Employer B and provides a certificate of service to Employer B indicating they have 10 years service. After 5 years service with Employer B, the Employee wishes to take LSL. As the Employee has 15 years service with Employer B for the purposes of LSL (10 years of which is service that was accrued with Employer A) the Employee is entitled to take 6 months LSL.

- (ii) Where an Employee has received long service leave or a payment in lieu of long service leave from an Institution or Statutory Body (including an Employer covered by this Agreement) this does not alter the Employee's commencement date for the purpose of qualifying for long service leave under this clause 72.

*Example:*

An Employee, upon reaching 15 years' service with Employer A, resigns. The Employee receives payment in lieu of the 6 months Long Service Leave (LSL) that had accrued.

Within the allowable period, the Employee commences employment with Employer B. The 15 years' service with Employer A counts as service with Employer B for the purposes of LSL. The Employee is entitled to 2 months LSL after 5 years' service with Employer B. The Employee is not entitled to any further benefit for the period of service with Employer A.

**(b) Concurrent Service**

Concurrent service with Institutions and/or Statutory Bodies (including an Employer covered by this Agreement) remains separate and distinct until an Employee terminates employment with one Institution or Statutory Body, except where the Employee receives a payment in lieu of long service leave.

*Example:*

An Employee is employed at the same time by Employer A and Employer B.

The Employee accrues service towards LSL at each of Employer A and Employer B. If the Employee had been employed by Employer A for 11 years and Employer B for 8 years, the Employee can take LSL from Employer A, but would need to continue working at Employer B until the 10 years threshold was met.

If the Employee resigned from both Employer A and Employer B, and went to work for Employer C, the Employee could:

1. Transfer the 8 years' service with Employer B to Employer C; and
2. Have the accrued LSL from the 10 years' service with Employer A paid out in lieu on termination and therefore there is no longer any Long Service Leave obligation that can be transferred to Employer C.

**(c) Continuous service and its interaction with absences or interruptions in employment**

The absences or interruptions mentioned in this subclause 72.5(c) do not break an Employee's continuous service.

**(i) Periods that count towards continuous service**

The following periods count towards an Employee's period of continuous service:

- A. the taking of any paid leave (including annual leave, personal leave, parental leave and long service leave);
- B. any unpaid absence from work of not more than fourteen days in any year on account of illness or injury;
- C. any interruption or ending of employment by the Employer if made with the intention of avoiding obligations in respect of long service leave or annual leave;
- D. any absence on account of injury arising out of or in the course of the employment for a period during which an Employee is receiving accident pay under clause 32 (Accident Pay);
- E. any unpaid leave of absence of the Employee, including unpaid Parental Leave, where the absence is authorised in advance in writing by the Employer to be counted as service;
- F. any absence from employment on defence service in accordance with section 8 of the *Defence Reserve Service (Protection) Act 2001*; and
- G. a period of absence on community service leave under the Act.

(ii) **Periods that do not break continuous service but do not count towards continuous service**

The following periods do not break continuous service but do not count towards an Employee's continuous service unless they are so authorised in writing by the Employer:

- A. any other authorised period of absence or unpaid leave including unpaid parental leave under clause 70 (Parental Leave);
- B. any interruption arising directly or indirectly from an industrial dispute;
- C. any period between employment with one Institution or Statutory Body and another provided it is equal to or less than the allowable period of absence from employment;
- D. the dismissal of an Employee if the Employee is re-employed within a period not exceeding two months from the date of such dismissal;
- E. any absence on account of injury arising out of or in the course of the Employee's employment during which an Employee is not receiving accident make up pay or other paid leave; and
- F. any other absence from work of a pregnant Employee or an Employee adopting for a period not exceeding twelve months in respect of any pregnancy or adoption not covered by subclause 72.5(c)(ii)A above.

**72.6 Records**

The Employer will keep a long service leave record for each Employee, containing particulars of service, leave taken and payments made.

**72.7 Transfer of business**

Where a transfer of business occurs, an Employee who worked with the old employer and who continues in the service of the new employer will be entitled to count their service with the old employer as service with the new employer for the purposes of this clause 72.

**72.8 Termination of Employment**

**(a) Basic entitlement at termination of employment**

An Employee with ten or more years of continuous service is entitled to payment in lieu of any untaken long service leave upon termination of employment equal to one thirtieth of the period of continuous service less any long service leave taken, except where an Employee who has completed at least ten but less than fifteen years continuous service makes the election at subclause 72.8(b) below.

**(b) Election for payment of entitlement or transfer of entitlement at termination**

An Employee who has completed at least ten but less than fifteen years' continuous service who intends to be re-employed by another Institution or Statutory Body may:

- (i) elect in writing that payment for accrued long service leave be deferred until after the Employee's allowable period of absence has expired; and
- (ii) where the Employee notifies the Employer in writing within the allowable period of absence that the Employee has been employed by another Institution or Statutory Body the Employer is no longer required to make payment to the Employee in respect of such leave. Where such written notice is not provided within the allowable period of absence the Employer will, upon the expiration of the allowable period of absence, make payment in lieu of long service leave as per subclause 72.8(a).

**(c) Payment in lieu of long service leave on the death of an Employee**

Where an Employee who has completed at least ten years' service dies while still in the employ of the Employer, the Employer will pay to the Employee's personal representative a sum equal to one thirtieth of the period of continuous service less any long service leave taken.

## **73. Blood Donors Leave**

The Employer will release Employees upon request to donate blood where a collection unit is on site or by arrangement at the local level.

## **74. Leave to Engage in Emergency Relief Activities**

**74.1** An Employee who is a member of a voluntary emergency relief organisation including, but not limited to, the Country Fire Authority, Red Cross, State Emergency Service and St John Ambulance is entitled to be absent from their place of employment for a period if the Employee's absence is reasonable in all the circumstances and the period consists of one or more of the following:

- (a) time when the Employee engages in the activity;
- (b) reasonable travelling time associated with the activity; and
- (c) reasonable rest time immediately following the activity.

**74.2** An Employee who wants an absence from their employment to be covered by this clause 74 must, as soon as practicable:

- (a) give their Employer notice of the absence; and
- (b) advise the Employer of the period, or expected period of the absence.

**74.3** An Employee who has given the Employer notice of an absence must give the Employer evidence that would satisfy a reasonable person that the absence is

because the Employee has been or will be engaging in an eligible community service activity.

## **75. Ceremonial Leave**

An Employee who is legitimately required by Aboriginal or Torres Strait Islander tradition to be absent from work for Aboriginal or Torres Strait Islander ceremonial purposes will be entitled to up to 10 working days unpaid leave in any one year, with the approval of the Employer. Such approval will not be unreasonably withheld by the Employer.

## **76. Jury Service**

*NOTE: this clause 76 applies to all Employees*

**76.1** An Employee required to attend for jury service will be reimbursed by the Employer an amount equal to the difference between:

- (a) the amount paid by the state of Victoria in respect of attendance for jury service; and
- (b) the amount the Employee could reasonably expect to have received from the Employer as earnings for that period had the Employee not been performing jury service.

**76.2** An Employee will notify the Employer as soon as possible of the date they are required to attend jury service. The Employee will give the Employer proof of attendance at the court, the duration of such attendance and the amount received for jury service.

## PART H– EDUCATION AND PROFESSIONAL DEVELOPMENT

*Example:*

An Employee may use their professional development leave to attend 10 half-day professional development activities in a year of service provided that the total period will not exceed 5 days.

- 77.2** To access the benefits of this clause 77 it is the responsibility of the Employee to make an application for this leave.
- 77.3** The leave is cumulative over two calendar years.

The leave may be utilised for, but not limited to, research, home study, and attendance at seminars and conferences. An Employee may be required to report back on a seminar or conference, where they are allocated sufficient time during their ordinary hours of work to prepare for this.
- 77.5** The application must be made at least six weeks prior to the requested date(s) and will be approved by the Manager unless there are exceptional circumstances that exist that justify non-approval. The applicant will be notified in writing if the leave is approved or not within seven (7) days of the request being made. If leave is not granted the reasons will be included in the notification to the applicant.
- 77.6** Where a request for professional development leave approved by the Employer:
- (a) is made by a full-time Employee and covers a period where the Employee is not rostered to work; or

the Employer will provide time off in lieu for the period of the course. Time in lieu in this clause 77 is on the basis of time for time at ordinary rates and does not include any benefit or payment for any overtime, penalties or allowances under this Agreement that would normally be paid for such periods of duty.

Mandatory training means professional development and/or training that the Employer requires the Employee to undertake such as fire, workplace bullying and equal opportunity training or training that is necessary for an Employee to perform their position/role (such as learning how to use a new piece of equipment, or updates on new policies, procedures or applications), but not professional development training that is optional. - (a) details of the course and institution in which the Employee is enrolled or proposes to enrol; and
  - (b) details of the relevance of the course to the Employee's profession.
- 78.4** The Employer may refuse to grant an Employee study leave only where there are reasonable grounds for doing so, and will notify the Employee in writing of whether their request for study leave has been approved within 7 days of the application being made. **10.2** This Agreement is not intended to exclude any part of the NES or to provide any entitlement which is detrimental to an Employee's entitlement under the NES. ## **PART B – CONSULTATION, DISPUTE RESOLUTION PROCEDURE AND DISCIPLINARY PROCEDURE**

---

### **13 Consultation**

#### **13.1 Consultation regarding major workplace change**

(a) Where an Employer proposes a change that may result in the termination of the employment of an Employee or Employees or other significant effect, the Employer will consult with the Employee/s, the Union covered by this Agreement and, where relevant, the Employee's other chosen representative.

(b) **Definitions**

Under this sub-clause 13.1 **measures to mitigate or avert** may include but are not limited to:

- (i) redeployment where it is reasonable in the circumstances to do so;
- (ii) retraining of an Employee or Employees;
- (iii) salary maintenance;
- (iv) job sharing; and
- (v) maintenance of accruals.

(c) **Change Impact Statement to set out proposed workplace change**

To facilitate consultation, the Employer shall provide affected Employee/s and the Union covered by this Agreement with a written Change Impact Statement setting out all relevant information about the proposed workplace change including:

- (i) the details of proposed change;
- (ii) the reasons for the proposed change;
- (iii) the possible effect on Employees of the proposed change;
- (iv) measures the Employer is considering that may mitigate or avert the effects of the proposed change; and
- (v) the right of an affected Employee to have a representative including a Union representative.

(d) **Meeting**

As part of the consultation process, the Employer will meet with the Employee/s, the Union covered by this Agreement and any other nominated representative/s (if any) to discuss the proposed change and any proposals to mitigate or avert the effects of the proposed change.

(e) **Amendment to proposal**

The Employer will give prompt and genuine consideration to matters arising from consultation and will advise the affected Employees, the Union covered by this Agreement and any other nominated representatives (if any) in writing of the outcome of consultation including:

- (i) whether the Employer intends to proceed with the change proposal;
- (ii) any amendment to the change proposal arising from consultation;

- (iii) details of any measures to mitigate or avert the effect of the changes on affected Employees; and
- (iv) a summary of how matters that have been raised by Employees, the Union and their representatives have been taken into account.

### **13.2 Consultation about changes to rosters or hours of work**

- (a) Where an Employer proposes to change an Employee's regular roster or ordinary hours of work, the Employer must consult with the Employee or Employees affected and their representatives, if any, about the proposed change.
- (b) The Employer must:
  - (i) provide to the Employee or Employees affected and their representatives, if any, information about the proposed change (for example, information about the nature of the change to the Employee's regular roster or ordinary hours of work and when that change is proposed to commence);
  - (ii) invite the Employee or Employees affected and their representatives, if any, to give their views about the impact of the proposed change (including any impact in relation to their family or caring responsibilities); and
  - (iii) give consideration to any views about the impact of the proposed change that are given by the Employee or Employees concerned and/or their representatives.
- (c) The requirement to consult under this sub-clause 13.2 does not apply where an Employee has irregular, sporadic or unpredictable working hours.

### **13.3 Consultation when engaging contractors**

Where the Employer proposes to engage contractors and/or employees of contractors to perform work currently undertaken by Employees, other than on an ad hoc or temporary basis, the Employer will consult with affected Employees and the Union, having regard to the impact this will have upon the job security of existing Employees and the terms and conditions of employment of Employees.

### **13.4 Parental leave or other absence**

For the avoidance of doubt, the obligation to consult under this clause 13 includes those who are absent on leave including parental leave.

## **14 Redundancy**

### **14.1 NES**

Redundancy entitlements are prescribed by the NES.

### **14.2 Consultation**

Where an Employee's employment may be terminated as a result of redundancy, the provisions of subclause 13.1 (Consultation Regarding Major Workplace Change) apply. This sub-clause requires that an Employer consult regarding a proposed change that may have a significant effect, and to consider measures that may mitigate or avert the impact of the change including but not limited to:

- (a) retraining of an Employee or Employees;

- (b) salary maintenance;
- (c) job sharing; and
- (d) maintenance of accruals.

#### **14.3 Transfer to lower paid duties**

Where an Employee is transferred to lower paid duties by reason of redundancy, the same period of notice must be given as the Employee would have been entitled to if the employment had been terminated and the Employer may, at the Employer's option, make payment instead of an amount equal to the difference between the former ordinary time rate of pay and the ordinary time rate of pay for the number of weeks of notice still owing. Nothing in this clause 14 shall limit the right of an Employee to claim redundancy pay under sub-clause 14.7 on the basis that the role to which the Employee has been transferred is not acceptable employment consistent with the Act.

#### **14.4 Employee leaving during notice period**

An Employee given notice of termination in circumstances of redundancy may terminate their employment during the period of notice. The Employee is entitled to receive the benefits and payments they would have received under this clause 14 had they remained in employment until the expiry of the notice, but is not entitled to payment instead of notice.

#### **14.5 Job search entitlement**

- (a) An Employee given notice of termination in circumstances of redundancy must be allowed up to one day's time off without loss of pay during each week of notice for the purpose of seeking other employment.
- (b) If the Employee has been allowed paid leave for more than one day during the notice period for the purpose of seeking other employment, the Employee must, at the request of the Employer, produce proof of attendance at an interview or they will not be entitled to payment for the time absent. For this purpose a statutory declaration is sufficient.
- (c) This entitlement applies instead of sub-clause 21.6.

#### **14.6 Effect of this provision**

The entitlements contained at sub-clauses 14.7 and 14.8 of this clause 14 operate in accordance with section 55 of the Act.

#### **14.7 Redundancy under the NES**

- (a) An Employee whose employment is terminated either:
  - (i) at the Employer's initiative because the Employer no longer requires the job done by the Employee to be done by anyone, except where this is due to the ordinary and customary turnover of labour; or
  - (ii) because of insolvency or bankruptcy of the Employer;

is entitled to redundancy pay unless excluded by the NES as follows:

	<b>Employee's continuous service with the Employer</b>	<b>Redundancy pay</b>
1	At least 1 year but less than 2 years	4 weeks
2	At least 2 years but less than 3 years	6 weeks
3	At least 3 years but less than 4 years	7 weeks
4	At least 4 years but less than 5 years	8 weeks
5	At least 5 years but less than 6 years	10 weeks

6	At least 6 years but less than 7 years	11 weeks
7	At least 7 years but less than 8 years	13 weeks
8	At least 8 years but less than 9 years	14 weeks
9	At least 9 years	16 weeks

- (b) Redundancy pay is calculated on the Employee's base rate of pay for:
- (i) the Employee's hours of work at the time of the redundancy; or,
  - (ii) the Employee's average weekly hours of work over the preceding twelve (12) months;
- whichever is more favourable to the Employee.

#### **14.8 Exclusions and variations**

Nothing in this clause 14 shall affect any right to apply, exclusion, right or limit contained in the NES concerning redundancy provided at sections 120 to 123 of the Act.

#### **14.9 Alternatives to redundancy**

- (a) Before termination of employment due to redundancy occurs, the Employer shall give genuine consideration to alternatives including:
- (i) whether the change can be achieved through an alternative means such as natural attrition, leave, voluntary reduction of hours / job sharing or voluntary departure; and
  - (ii) whether it would be reasonable in all the circumstances to redeploy affected Employee/s.
- (b) In considering whether it would be reasonable in all the circumstances to redeploy the affected Employee, the Employer shall:
- (i) identify existing vacancies and consider whether it may be reasonable to redeploy the Employee to a vacant role; and
  - (ii) advise the Employee in writing, identifying whether there are, in its view, any roles into which the Employee may reasonably be redeployed.
- (c) The Employee may:
- (i) require the Employer to disclose all the vacancies regardless of whether the Employer believes it would be reasonable to redeploy the Employee to those role/s; and / or
  - (ii) meet the Employer to discuss whether it would be reasonable to redeploy them to any of the vacant positions.
- (d) Nothing in sub-clause 14.9 shall prevent either party from disputing whether it would be reasonable in all the circumstances to redeploy the Employee.
- (e) Where an Employee facing redundancy expresses an interest in a vacant position, the Employee will be interviewed by the Employer for that position.

#### **14.10 Redeployment on Parental Leave**

- (a) Where, following the consultation in sub-clause 13.1, an Employee is on parental leave when the Employee's role is declared redundant, the Employer will inform the Employee in writing that:
- (i) the role is redundant; and
  - (ii) the Employee may defer attempts to redeploy them until they have returned to work from parental leave.

- (b) Where the Employee notifies the Employer that they wish to defer attempts to redeploy them until they have returned to work from parental leave, the Employer will defer attempts to redeploy the Employee until they return to work from parental leave.
- (c) Where an Employee elects to be redeployed and accepts redeployment into a vacant position, the Employer will redeploy them to that position. In such a circumstance, the Employer will not require the Employee to vary the length of the parental leave and the Employee's right to request an extension to parental leave under sub-clause 59.14 is not affected.

## **15 Dispute Settling Procedures**

**15.1** This dispute resolution procedure will apply to any dispute / grievance arising in relation to:

- (a) this Agreement;
- (b) the National Employment Standards; or
- (c) a request for flexible working arrangements.

### **15.2 Right of representation**

A party to the dispute may appoint another person, organisation or association (including a Union or employer organisation) to accompany or represent them in relation to the dispute at any time. A representative, including a Union or employer representative, may initiate the dispute. The parties to the dispute and their representatives must genuinely attempt to resolve the dispute through the processes set out in this clause 15 and must cooperate to ensure that these processes are carried out expeditiously.

### **15.3 Internal process**

The parties will attempt to resolve the matter at the workplace as follows:

- (a) in the first instance, by discussions between the Employee/s and the relevant supervisor; and
- (b) if the dispute is still unresolved, by discussions between the Employee/s and more senior levels of local management.

The above steps shall take place within fourteen days or such longer period as is reasonable in the circumstances or mutually agreed.

### **15.4 Referral to the Commission**

- (a) If a dispute is unable to be resolved at the workplace, the dispute may be referred to the FWC for conciliation by a party to the dispute or representative and, where the matter in dispute remains unresolved, arbitration.
- (b) The decision of the FWC will bind the parties, subject to either party exercising a right of appeal against the decision to a Full Bench.

### **15.5 Work to Continue in accordance with Custom and Practice**

While the dispute resolution procedure is being conducted work shall continue normally according to the custom or practice existing before the dispute arose until the dispute is resolved. No party shall be prejudiced by the continuation of work. Health and safety matters are exempted from this sub-clause 15.5.

### **15.6 Dispute Settlement Facilitation**

Where the chosen representative is another Employee of the Employer, that Employee shall be released by the Employer from normal duties as is reasonably necessary to enable them to represent the Employee/s including:

- (a) investigating the circumstances of the dispute; and
- (b) participating in the processes to resolve the dispute, including conciliation and arbitration.

### **15.7 Disputes of a Collective Character**

It is agreed that disputes of a collective character may be dealt with more expeditiously by an early reference to the FWC. However, no dispute of a collective character may be referred to the FWC directly without a genuine attempt to resolve the dispute at the workplace level as required by this sub-clause 15.7.

## **16 Discipline**

### **16.1 Disciplinary matters**

Within the 18 month period following the operation of this Agreement, an Employer can only direct an Employee who commenced employment prior to the commencement of this Agreement to take one-quarter of their annual leave.
- 51.2** However, a direction by the Employer under sub-clause 51.1(c);

Where another configuration is proposed, the same principle shall apply. That is, the weekly base rate will be reduced by an amount reflecting the amount of the additional leave. For example, if a 50/52 arrangement was proposed, the Employee would take an additional two (2) weeks leave per annum and would be paid 50/52 of the weekly base rate prescribed by the Agreement.
- 52.3** Accrual of sick leave and long service leave will be unaffected by these arrangements.

- (c) Sub-clause 59.17(b) is not to result in the Employee being returned to the safe job to which the Employee was transferred under sub-clause 59.16. In such circumstances, the Employee will be entitled to return to the position held immediately before the transfer.
- (d) Where the relevant former position (per sub-clauses 59.17(b) and 59.17(c)above) no longer exists, an Employee is entitled to return to an available position for which the Employee is qualified and suited nearest in status and pay to that of their pre-parental leave position.

#### **59.20 Keeping in touch days**

- (a) This clause 59 does not prevent an Employee from performing work for the Employer on a keeping in touch day while the Employee is taking unpaid parental leave. If the Employee does so, the performance of that work does not break the continuity of the period of unpaid parental leave.
- (b) A day on which the Employee performs work for the Employer during the period of leave is a keeping in touch day if:
  - (i) the purpose of performing the work is to enable the Employee to keep in touch with their employment in order to facilitate a return to that employment after the end of the period of leave;

## Appendix Four – Classification Definitions Applying to Allied Health Professionals

### CLASSIFICATION

---

An Employer is not obliged to appoint to each Grade. However where an employee meets the requirements of the Grade, the Employer will classify them at that Grade (see clause 71 Notification of Classification and Reclassification).

This Appendix Four is arranged as follows:

#### **General**

Section A – Definitions

#### **Allied Health Professional (AHP1)**

Section B – Definitions

Schedule 1 – Relevant entry requirements for AHP1 Classifications

Schedule 2 – Specific special knowledge or depth of experience examples

Schedule 3 – Health Information Manager Specialty Area Examples

#### **Allied Health Professional (AHP2)**

Section C – AHP2 Classification Descriptors

## SECTION A – DEFINITIONS

---

### 1. Definitions

In this classification structure, the following terms are defined as follows:

**1.1 Advanced Practice work** is work that is within the currently recognised scope of practice for the profession, but that in custom and practice has been performed by other professions. It requires additional training as well as significant professional experience and competency development.

**1.2 AHP1 Classification/s** means the following professions:

- (a) Exercise Physiologist;
- (b) Health Information Manager (Medical Records Administrator);
- (c) Medical Imaging Technologist (Radiographer);
- (d) Medical Librarian;
- (e) Music Therapist;
- (f) Occupational Therapist;
- (g) Orthoptist;
- (h) Orthotist/Prosthetist;
- (i) Photographer or Illustrator (Medical Photographer or Illustrator);
- (j) Physiotherapist;
- (k) Play Therapist (Child Life Therapist);
- (l) Podiatrist;
- (m) Recreation Therapist; and
- (n) Speech Pathologist.

**1.3 AHP2 Classification/s** means the following professions:

An Employee classified in an Allied Health Manager position may be responsible for a program across a number of sites, or be responsible for a multi-disciplinary allied health professional structure across a number of sites or a large department/program for a single professional stream. Allied Health Managers must be Employees from an AHP1 Classification.

**1.5 Assistant Allied Health Manager** means an Employee required to assist and to deputise for an Allied Health Manager. Assistant Allied Health Managers must be Employees from an AHP1 Classification.

## **SECTION B – AHP1 CLASSIFICATION DESCRIPTORS**

---

### **AHP1 Classifications – Intern, Grade 1, Grade 2, Grade 3 and Grade 4**

#### **1. Intern – Medical Imaging Technologist (Radiographer) only**

**1.1** This classification applies to Medical Imaging Technologists (MIT) only.

**1.2** An Intern Medical Imaging Technologist is an Employee who has obtained a Bachelor of Applied Science (Medical Radiations), Bachelor of Medical Radiation Science, or equivalent who has provisional registration under the National Registration and Accreditation Scheme with the Medical Radiation Practice Board of Australia and is undertaking a clinical placement following the completion of their qualification.

#### **2. Grade 1**

**2.1** A Grade 1 Employee is an Employee who:

- (a) has a relevant qualification for their profession and/or meets the entry requirements described at Schedule 1 of this Appendix Four; and
- (b) works on routine tasks within the scope of practice for their profession, consulting with a suitably experienced health professional when clinical problems arise or when dealing with clinical matters they are unfamiliar with.

**2.2** This will generally be the entry level for new graduates.

**2.3 Home Visits**

A Grade 1 Employee can only participate in home visits in accordance with the following:

- (a) where a Grade 1 Employee performs work during home visits (that is they are not attending a home visit in an observational capacity only):
  - (i) they must, if they are not already classified at Grade 1 Year 3 or above, be classified at Grade 1 Year 3;
  - (ii) a preliminary clinical assessment cannot be done by a Grade 1 Employee with less than two years of experience unless the Employee has successfully completed an appropriate competency-based orientation to ensure the Grade 1 Employee is adequately resourced, skilled and experienced to effectively and safely perform the clinical duties required at home visits without another Allied Health Professional present. A Grade 1 Employee undertaking home visits must be able to access adequate clinical support during home-visits; and
  - (iii) the Employer must have a system that supports Grade 1's undertaking home visits that ensures adequate occupational health and safety, and a preliminary assessment of the client's residence must be done prior to the Grade 1's first home visit; or
- (b) where a Grade 1 Employee attends home visits in an observational capacity only (that is they do not perform any work during the home visit) sub-clause 2.3(a) of this section B of this Appendix Four do not apply.

**2.4** For the purpose of sub-clause 2.3(a)(ii) of this Section B of this Appendix Four, 'competency-based orientation' means a structured program relevant to the profession that, upon completion, ensures the Grade 1 Employee has the necessary skills, knowledge and experience to effectively and safely perform home visit duties without another Allied Health Professional present. It includes a comprehensive induction process, appropriate training, practical guidance on relevant policies and procedures and supernumerary time at home visits.

**2.5** After the completion of 12 months service at Grade 1 Year 5 a Grade 1 Employee will automatically progress to Grade 2 Year 1.

**3. Grade 2**

**3.1 Grade 2 – General Definition (does not apply to Medical Imaging Technologist)**

A Grade 2 Employee is an Employee:

- (a) who has completed 12 months service at Grade 1 Year 5; and/or
- (b) required to undertake additional duties/responsibilities to a Grade 1 Employee, for example:
  - (i) supervising and training students;

- (ii) supervising staff (including clinical supervision of Grade 1 Employees);
- (iii) performing work which requires special knowledge or depth of experience. In the case of Medical Librarians, Orthotists/Prosthetists, Physiotherapists and Podiatrists examples of areas in which such work may be performed are listed in Schedule 2 of this Appendix Four;
- (iv) being required to take charge of a section of a department;
- (v) in the case of Health Information Manager being responsible for clinical trial/data management at recognised trials including national and international trials;
- (vi) in the case of Play Therapist, research/case studies, and/or client and group program supervision and/or evaluation; and/or
- (vii) undertaking home visits in circumstances other than those described in sub-clause 2.3 of section B of this Appendix Four above.

For the avoidance of doubt, sub-clause 3.1(a) of section B of this Appendix Four above does not limit an Employer's ability to require an Employee that has progressed from Grade 1 to Grade 2 to undertake additional Grade 2 duties/responsibilities consistent with sub-clause 3.1(b) of section B of this Appendix Four above.

### **3.2 Grade 2 – Medical Imaging Technologist (Radiographer)(only applies to Medical Imaging Technologists)**

A Grade 2 Medical Imaging Technologist is an Employee:

- (a) who has completed 12 months service at Grade 1 Year 5; and/or
- (b) who is required to undertake additional responsibilities and/or who has additional experience who demonstrates a degree of competence and ability to work independently and without supervision which reflects a level of continuing education and/or practical expertise. Parameters for this position would include one or more of the following:
  - (i) a Medical Imaging Technologist who is required to supervise other medical imaging staff including clinical supervision of Grade 1 Employees, and train medical imaging students;
  - (ii) a Medical Imaging Technologist who is required to supervise a section of a department; and/or
  - (iii) a Medical Imaging Technologist who can demonstrate extensive or special knowledge, experience and competence in any of the specialist modalities or areas of additional responsibilities such as computed tomography (CT), digital subtraction angiography (DSA), cardiac angiography, mammography, magnetic resonance imaging (MRI), picture archiving and communication systems (PACS), radiology information system (RIS) or quality assurance activities.

#### 4. Grade 3

##### 4.1 Grade 3 – General Definition

A Grade 3 Employee is an Employee who, in addition to undertaking or having the ability to undertake the Grade 2 duties/responsibilities, will:

- (i) normally have at least seven (7) years' experience in the relevant profession; and
- (ii) possesses specific knowledge in and works in an area of their profession (clinical, educational, research and/or managerial) requiring high levels of specialist knowledge.

An enterprise agreement is an agreement between an employer and its employees that will be covered by the agreement that sets the wages and conditions of those employees for a period of up to 4 years. To come into operation, the agreement must be supported by a majority of the employees who cast a vote to approve the agreement and it must be approved by an independent authority, Fair Work Commission.

### **If you are an employee who would be covered by the proposed agreement:**

You have the right to appoint a bargaining representative to represent you in bargaining for the agreement or in a matter before Fair Work Commission about bargaining for the agreement.

#### LESS BENEFICIAL

**Clause 28.5 of the modern award – Rest Break During Overtime –** There is no entitlement to a rest break clause during overtime under the Agreement. Although there is an entitlement at clause

**55.3(b)** of the Agreement that in the specified circumstance an employee can attend to abolition and sustenance matters

**Clause 32.2 of the modern award – Casual Loading on a public holiday** – Under the modern award a casual employee is paid double time and a half for all time worked on a public holiday. Under the Agreement (clause 20.2) a casual receives only 175%.

**Clause 18.13 of the modern award - Travel Allowance** – The modern award entitlement (clause 18.13) is 78 cents. Under the Agreement **clause 41.1** an employee is entitled to travel allowance in accordance with the Australian Tax Office. This is a sliding scale of 65 – 77 cents. Depending on what car the employee has an employee may be 1 – 13 cents worse off under the agreement.

**Clause 25 of the modern award - Rosters** – Under the modern award a roster is posted 2 weeks in advance. Under the Agreement (**clause 50**) the roster is posted 3 days in advance. VHIA is unsure of the practical arrangements regarding rostering at each employer.

**Clause 28.2 of the modern award** - The Agreement provides an exception to the modern award rest period after overtime **clause 28.2**.

**Clause 59.6 (b) of the Agreement – Leave loading** – leave loading of 17.5% is capped to a Grade 3, Year 1 rate. The modern award has no such cap.

#### ARGUABLE AS TO LESS/MORE BENEFICIAL

**Clause 38 of the Agreement – Shift Allowance** - The Agreement prescribes a different shift penalty in comparison to the modern award (clause 29). The agreement is more beneficial in terms of span of hours depending on the shift worked by the employee however the payment is administered in a different way.

The payments under the agreement are set amounts depending on what classification an employee is whereas the modern award contains a 15% penalty paid on each hour worked. This means that under the modern award each individual employee's shift allowance will differ depending on what classification, year level and the ordinary hours worked.

The agreement prescribes a higher amount for night shift and permanent night shift compared to the morning and afternoon allowance.

The employees that are disadvantaged under the Agreement would be employees at the lower classification levels that work longer shifts (for example ten hour shifts).

**Clause 49.1 of the Agreement – Meal Interval** – The Agreement only allows an meal interval of not more than 30 minutes for employees on shift duty and it is counted as work regardless of whether the meal is taken or not.

**Modern Award provision clause 3.1 (definition of a shiftworker) and clause 24 (Span of hours) -** The Agreement does not contain a span of hours clause nor does it contain a provision regarding a definition of a shiftworker for ordinary hours of work. VHIA believes that this has no effect on the BOOT test given that employees still receive the appropriate shift penalties and Saturday/Sunday work penalties in Accordance with the Agreement when the employees work outside of what is deemed day worker hours under the modern award by virtue of the shift penalties clause and Saturday/Sunday clause.

**Modern Award provision clause 31.3 – annual leave in advance –** The Agreement clause 59.4 is not as comprehensive as the July modern award clause. The practical effect of this is not known

**Modern Award provision clauses 31.6 – 31.7 – excessive annual leave -** The Agreement clause 59.7 does not take the same approach to the modern award for managing excess annual leave accruals.

#### MODERN AWARD CLAUSE NOT APPLICABLE

**Clause 16 Supported Wage System**

**Clause 17 National Training Wage**

**Clause 18.5 Deduction for board and lodging –** VHIA does not believe Employers provide board and lodging to Allied Health Professionals.

**Clause 18.6 Heat Allowance –** VHIA does not believe Allied Health Professionals would be exposed to such heat.

**Clause 18.8 Nauseous Allowance –** VHIA does not believe Allied Health Professionals come into contact with any nauseous linen or undertake work that may be of an unusually dirty or offensive nature.

**Clause 18.9 Occasional interpreting allowance –** VHIA does not believe Employers require Allied Health Professionals to interpret as there is another enterprise agreement that covers interpreters.

**Clause 18.12 Tool Allowance –**This agreement does not cover chefs and cook.

#### AGREEMENT CLAUSES NOT MENTIONED IN THE MODERN AWARD THAT COULD OR COULD NOT BE BENEFICIAL

The modern award does not appropriately address the following:

**Clause 22 – Fixed term employment –** The fixed term employment clause has restrictions regarding fixed term employment and when it can be used.

**Clause 40 – Sleepover allowance –** The modern award does not contemplate employee's may do sleepovers. VHIA does not know how many employers require their allied health professionals to do sleepover shifts. It is likely that it is low in number.

**Clause 42 – Travel payment** – The modern award does not specify a clause about what is to occur for travel time just the travelling allowance. VHIA believes that the clause most likely reflects what the Fair Work Commission may view as the existing entitlement under the modern award.

**Clause 56 – Daylight Savings** - The modern award does not specify what to do in regards to daylight savings.
