Subject: C2019/5259 Directions Hearing and Substantive Hearing

Dear Associates,

Unfortunately MIAL is unable to make the directions hearing scheduled for 9am tomorrow in relation to this matter.

In such circumstances MIAL is content to rely on written submissions in response previously submitted, in relation to classifications contained in Schedule A of the Seagoing Industry Award 2020.

Have a safe, restful and enjoyable holiday period and thanks to you and your colleagues for assistance provided over the course of modern award matters.

Kind regards,
Sarah
