Subject: C2019/5259 - Review of C14 classifications in certain Awards

Dear Associate

I write with respect to the Directions issued in the above matter on 22 September 2023, concerning the filing of submissions due by 3 November 2023.

Due to inadvertence or error, the AMWU was not aware of this direction until after 3 November 2023.

The AMWU has previously made submissions on the C14 rates in the Rail Industry Award and the Sugar Industry Award, and has an interest in several of the Awards now being considered by the Commission.

The AMWU apologises for this error and seeks an extension to file a submission on these Awards by 10 November 2023.

Regards

Kathryn Presdee
