Dear Ms Lipp,

Re: Living Wage Case

I refer to your letter of today's date.

Please note that we do not intend to provide you with a list of questions. The broad areas in relation to which we wish to examine are identified in our Reply Submission.

We have previously indicated the documents on which we will rely in cross-examination of the witness.

In the circumstances, we do not believe any purpose would be served by a meeting on Tuesday 2 April 2002.

Yours faithfully

ANDREW WATSON
Senior Industrial Officer
