ACTU LIVING WAGE SUBMISSION 2002

ACTU Written Submission

February 2002

Table of Contents

List of Figures iv
List of Tables vi

1. Introduction 1
   The Established Principles 2
   The ACTU Claim Is Moderate 3
   Award Wages are Falling Behind 5
   There is no economic impediment to granting the claim 6
   Life is a Struggle for the Low Paid 8
   Inequality is on the Increase 8
   It's Not Much to Ask For 9

2. Wages Update 11
   Introduction 11
   Trends in Wages Growth in the Australian Economy 12
   Comparing Recent Trends in Wages Growth 25
   How Have Award Dependent Workers Fared? 27

3. The ACTU Claim is Moderate 37
   Introduction 37
   Costing the Claim 39
The Level of Increase for Award Workers 47

Conclusion 54

4. Economic Conditions and Prospects 55

Current Economic Conditions 55
   Economic Growth 55
   Aggregate Demand 60
   The Business Sector 66
   Manufacturing Production 68
   Company Profits 68
   Wages 71
   Prices 71
   Labour Market 73
   Productivity 77
   External Accounts 78

Domestic Economic Outlook and Prospects 79
   The outlook for the Australian Economy – an Overview 80
   Economic Growth 81
   Prices 90
   Wages 93
   Labour Market 93

Overview of recent international economic events and implications for
   Australia 95
   The outlook for the world economy 95
   Implications for the Australian economy 97

Conclusion 101

5. Economic Effects 103

 Aggregate Wages 103
   Inflation 103
   Employment 104

 Conclusion 111

6. Needs of the Low Paid 113

 Nature of the Evidence 113
   Witness Evidence 114
   Intensity of Work Effort 117
Expenditure is Moderate and Focussed on Necessities 118
Going Without, Going into Debt and Financial Stress 126
HES Financial Stress Indicators Reflecting the ABS Analysis of Multiple Reporting of Indicators 136
Conclusion 150

7. The Increase in Inequality 151
   Introduction 151
   Distribution of Earnings – Wage and Salary Income 153
   Income Distribution 156
   Trends in Australian Wealth – New Estimates for the 1990s 157
   Where Award Workers Sit on the Earnings Distribution 160
   Conclusion 163

8. The Wage Fixing Principles 165

9. Conclusion 167

Appendix A: An Overview of Wage Measures in Australia 169
   Measures of Aggregate - Economy Wide Wage Movements 169
   So which is the Best Indicator of Wage Movements? 174
   Measures of Wages Growth Within Sections of the Economy 176
