Good Afternoon Ms Davis,

Commissioner Hampton has been advised of the RTBU's intention as set out below and requested that I seek a clarification from you in order to properly reflect the Union's position in the Report.

Should the Commission understand that the RTBU intends to continue its request for the Expert Panel to deal with this issue during the Annual Wage Review 2019-20 or is the Union no longer pressing the issue at this time?

Your prompt clarification of this matter would be appreciated.

In interests of transparency, a copy of the completed email chain will be uploaded to the Commission's website and referenced in the Commissioner's Report.
